**Von Tom Robbins : B Is for Beer** before purchasing it in order to gage whether or not it would be worth my time, and all praised B Is for Beer:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Below average for this great authorVon Konrad LabuschagneI have read all his books - some more than once. This book was a big disappointment - in the best case scenario probably anyone can have a dud after so many hits. In the worst case scenario he took his faithful and loyal readers for a ride.3 von 6 Kunden fanden die folgende Rezension hilfreich. Tom Robbins latest novel...Von B., Alexandra....is as wild and entertaining and dazeling the brain as we are used by him.That novel gives a shortcut on the history of beer and brewing. As written in the title it is a "grown-up book for

children or a children's book for grown-ups", it involves readers, whether they are young or old. And takes them far away, to the misty, bubbling, mysterious land in the brain of this genius writer - ha!  
0 von 1 Kunden fanden die folgende Rezension hilfreich. A children's book for adults... Von hihu... what can I say I just love this book :)(Like all books by Tom Robbins)Also a good present for all not-so-grown-ups - it's about beer and fairies!

KurzbeschreibungA Children's Book About Beer?Yes, believe it or notbut B Is for Beer is also a book for adults, and bear in mind that it's the work of maverick bestselling novelist Tom Robbins, inter-nationally known for his ability to both seriously illuminate and comically entertain.nce upon a time (right about now) there was a planet (how about this one?) whose inhabitants consumed thirty-six billion gallons of beer each year (it's a fact, you can Google it). Among those affected, each in his or her own way, by all the bubbles, burps, and foam, was a smart, wide-eyed, adventurous kindergartner named Gracie; her distracted mommy; her insensitive dad; her non-conformist uncle; and a magical, butt-kicking intruder from a world within our world.Populated by the aforementioned charactersand as charming as it may be subversiveB Is for Beer involves readers, young and old, in a surprising, far-reaching investigation into the limits of reality, the transformative powers of children, and, of course, the ultimate meaning of a tall, cold brewski.Pressestimmenwhimsical, absurdist. (New York Post)Kids at heart, and anyone bemused by Robbins previous novels, will guzzle down Robbins latest brew.
