Von Rosemary Laurey : Be Mine Forever before purchasing it in order to gage whether or not it would be worth my time, and all praised Be Mine Forever:

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Ghouls are dead - not stupidVon GreystarAngela is a Ghoul. That's about all she knows. She was 'found' by some vampire

group and finally is trying to track down, who she is and what has happened to her. She gets help from Tom, the one vampire she finds just too compelling, if he were not always insisting that the man has to protect the woman. She wants answers and so follows a lead. It seems that she was a wicca and daughter of some rich guy with a bad vampire as his counselor. To call the relationship between witches and vampires loathing would be putting it soft but still her new friends in the colony are willing to help her fight this very strong evil vampire. And Tom is finally realizing that she is more than a mindless ghoul.** Third installment of the '..forever..' stories. Again it helps a lot to know the characters. But it still will work without. All actors are introduced and the history will be mostly explained. Again the book is fast-paced and the clash of old-fashioned men with modern women is pure fun sometimes. This time, the witches are not the evil and that's ok, as we had that already. You have to love the characters, again even the supporting crew is well defined with their own lives. There are some love scenes and this time no loose ends at all.

He also thinks he knows best about everything--including how to figure out who Angela Ryan was before he and his clan rescued her from a mysterious attack that stole her memory. But whoever she is, Tom wants her. . .Six months ago Angela never would have imagined her life would turn into an episode of Dark Shadows--or that she'd be saved by the kind of man she's always fantasized about. Tom may be a vampire, and a know-it-all, but when his kisses are so sinful, so intoxicating, and so damn good, Angela is tempted to say yes to whatever he wants. . ."Absolutely fascinating!" --New York Times bestselling author Christine FeehanKurzbeschreibungLove Can Change You. . .For Eternity. . .Tom Kyd has smoldering eyes, a sculpted body, and supernatural staying power--even for a vampire. Being rescued by a clan of vampires is strange enough, but nothing compared to the fact that one of them is the kind of man she's always fantasized about. Tom Kyd has smoldering eyes, a sculpted body, and supernatural staying power. True, Tom is sure he knows best about everything, including how to figure out who she was before her life turned into an episode of Dark Shadows. But when his kisses are so dark, so sinful, and so damn good, Angela is tempted to say yes to whatever he wants...
