Matthews had not tried to marry her off to an older Earl, who wanted her only as a broodmare. Up to that moment, Maddie had been a docile, very obedient daughter. This time however, she rebels and runs off to London in the hopes of obtaining employment at the Capital Theatre. Her ultimate goal is to meet, charm, and seduce the stage's top actor Logan Scott. That way she can return home as "soiled goods" and be rejected by her fiancé. Logan is less than thrilled with her, but his co-manager takes pity on Maddie and hires her. Maddie immediately becomes the favorite of everyone in the theatre except Logan. He thinks she is a jinx because accidents seem to occur to him whenever she is near him. He also loathes the fact that he is very attracted to her. When Maddie discovers Logan is very ill in his office, she nurses him back to health at considerable risk to herself. This crumbles his remaining defenses and the jaded actor admits his true feelings to the innocent miss. They share a beautiful intimate evening of lovemaking. However, when her father discovers them, Logan feels betrayed because she hid her background from him. Two months later, a pregnant Maddie returns, forcing Logan to once again look inside himself. Will he choose a lifetime of loving happiness or will he opt to remain in his self-induced hell?

Lisa Kleypas pens a very humorous and satirical tale about the pitfalls that occur in 1833 England when a commoner and an aristocrat try to make a life together. The decadent hero makes the perfect counterpoint to the naive heroine as their different perspectives of the world diverge into proving that love can conquer any obstacle if allowed by the participants. **BECAUSE YOU'RE MINE** is a fun read that will lift readers out of the doldrums. This reviewer expects to read one day that Lisa Kleypas made it to the New York Times best seller list.

Harriet Klausner 2 von 2 Kunden fanden die folgende Rezension hilfreich. Einfach: Sehr gut Von Anna D. Um einer erzwungenen Heirat zu entgehen fasst Madeline einen waghalsigen Plan: Sie will eine Affäre mit Logan Scott, dem berühmten Schauspieler, beginnen und sich selbst ruinieren. Doch obwohl sie einen Job in seinem Theater bekommen hat, hat Madeline eigentlich keine Ahnung wie sie das bewerkstelligen soll. Logan Scott ist ein äußerst privater Mann, der eigentlich nur für seine Schauspielerei und sein Theater lebt. Nachdem er in der Vergangenheit von der Frau, die er liebte betrogen wurde, glaubt er nicht mehr an Liebe. Und schon gar nicht interessiert ist er an Madeline, die unschuldiger kaum sein könnte. Zumindest sagt das sein Kopf. Aber Madeline ist entschlossen Logan zu verführen und Logan fühlt sich mehr von ihr angezogen als gut für ihn ist. Die Geschichte geht durch turbulente Höhen und Tiefen in denen man immer mit den Charakteren mitfühlt. Ich mag vor allem Logans Charakter. Er wird als ein Mann von festen Prinzipien gezeichnet, der fast schon unmenschlich streng und kontrolliert ist. Aber alle Kontrolle der Welt schützt ihn nicht davor sich zu verlieben. Logans Charakter verschafft der Geschichte ein großes Maß an Intensivität und Tiefgang. Ein super Lesevergnügen, das nur zu empfehlen ist.

A continuation of a prominent secondary character in **SOMEWHERE I'LL FIND YOU**, the hero of the book, Logan Scott has been hurt in the past and doesn't trust anyone. At the beginning, the hero's character didn't fall on good graces as he was more interested in profit and the theater rather than the people. Along comes Madeline, who makes Logan feel an emotion he doesn't trust. She's hard-headed and although her predicament was real, I didn't feel much sympathy for her. I was pulled into their lives as the story progressed; and although the end was quite good, I felt that Madeline gave up very easily. The back cover blurb reads: "Because the Dream... Young, high-spirited Lady Madeline Matthews is expected to wed an aging, lecherous lord. But she would rather shame herself in the eyes of society rather than sacrifice her freedom, and resolves to render herself unmarriageable by indulging in a torrid affair with Britain's most acclaimed actor and notorious womanizer, Logan Scott. Because the Heart... He is a legend in the footlights and in the bedchamber. But when the curtain falls, Logan is an intensely private, guarded man still tormented by past betrayals that cut deep into his pride and heart. Now a forward little minx who seems completely out of place in the bright, sophisticated world of the London stage is disrupting his orderly existence with her constant presence, her unspoiled beauty and vibrant charm. And what begins with an onstage kiss threatens to blossom into something more rapturous and real. But first Logan and Madeline both must be brave enough to drop the masks they hide behind... and reveal their true selves in the golden glorious light of love." S.

Kurzbeschreibung A classic historical romance novel from New York Times bestseller Lisa Kleypas (One of today's leading lights in romantic fiction Seattle Times), *Because You're Mine* is a breathtaking tale of romantic intrigues and uncontained passions that showcases this acclaimed author at her very best. Returning to Regency Era London, Kleypas weaves a sensuous tale of a lovely intriguer's attempts to seduce a notorious seducer in order to save herself from an unwanted prearranged marriage only to have true love complicate the affair. This is emotional, sensual, absolutely superb storytelling from a multiple RITA Award-winning historical romance superstar that any serious fan of top-quality love stories must not miss. **Pressestimmen** "I am in awe of the exceptional talent Lisa Kleypas has as a storyteller." --Rendezvous **Kurzbeschreibung** A classic historical romance novel from New York Times bestseller Lisa Kleypas (One of today's leading lights in romantic fiction Seattle Times), *Because You're Mine* is a breathtaking tale of romantic intrigues and uncontained passions that showcases this acclaimed author at her very best.
