Von Mia Sheridan : Becoming Calder (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Becoming Calder (English Edition):

Sheridan's previous novels, especially Archer's Voice. But this one and the sequel Finding Eden just did not do it for me. The story was predictable and I found myself skipping paragraphs just to get to the end. For me, there has to be chemistry between the main characters and the question whether they will get together in the end or not. But here, everything was kind of clear from the beginning and so it got boring after a while...0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung There is a place in modern day America with no electricity, no plumbing, and no modern conveniences. In this place, there is no room for dreams, no space for self-expression, and no tolerance for ambition. In this place, there is a boy with the body of a god and the heart of a warrior. He is strong and faithful and serves his family honorably. But he dares to dream of more. In this place, there is a girl with the face of an angel and a heart full of courage. To her family, she is the vision of obedient perfection. But she dares to want that which she has been told can never be hers. Becoming Calder is the story of good versus evil, fear versus bravery, and the truth that the light of love has always found its way into even the darkest of places . . . From the beginning of time, to the end of the world. **THIS IS THE FIRST PART IN A TWO-PART SIGN OF LOVE SERIES INSPIRED BY AQUARIUS. THE SECOND PART, FINDING EDEN, RELEASES SIMULTANEOUSLY.** New Adult Contemporary Romance: Due to strong language and graphic sexual content, this book is not intended for readers under the age of 18. **Kurzbeschreibung** There is a place in modern day America with no electricity, no plumbing, and no modern conveniences.
