**Von Laurie R. King : Beekeeping for Beginners (Short Story) (Mary Russell and Sherlock Holmes)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beekeeping for Beginners (Short Story) (Mary Russell and Sherlock Holmes):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sherlock Holmes takes on a young apprenticeVon Valerie HungerfordAfter his world-famous career as a detective, Sherlock Holmes has retired to Sussex to turn his hand to beekeeping. There he meets a teenage girl as intelligent and observant

as he, and their friendship blossoms. The first in a series of Holmes adventures, from a different point of view.

KurzbeschreibungBONUS: This eBook includes an excerpt from Laurie R. King's *Pirate King*. In this crackling short story, New York Times bestselling author Laurie R. King reveals an unforgettable new twist in the adventure that led supersleuth Sherlock Holmes to discover his first (and finest) apprentice, Mary Russell. Sherlock Holmes is fending off a particularly dark mood as he roams the Sussex Downs, in search of wild bees. The Great War may be raging across the Channel, but on the Downs, the great detective nears terminal melancholia only to be saved by an encounter with headstrong, yellow-haired young Mary Russell, who soon becomes the Master's apprentice not only in beekeeping but in detection. Holmes instantly spots her remarkable ability, but his sharp eyes also see troubling problems. Why is this wealthy orphan who lives with her aunt so shabbily dressed? Why is she so prone to illness and accident? Is she herself the center of a mystery? These are questions that the great detective must answer quickly lest his protégé, and his own new lease on life, meet a sudden, tragic end. The tale of their meeting has been told from Russell's point of view, but even those who have never met the famed Russell-Holmes pair will read this tale with delight and, as its climax builds, with breathless excitement. Pressestimmen 'Excellent - King never forgets the true spirit of Conan Doyle' Chicago Tribune
