As Betty tries to find the mysterious heir that her grandmother, Arlette, named in her last will, she discovers the secrets of her grandmothers past. The story takes place in London, where Betty walks in the footsteps of her grandmother. It develops in two plots - one takes place in the nineties

(Betty's story) and one in the twenties (Arlette's story) - both equally captivating! For me, it was quite interesting to learn something about the roaring twenties and also, I got a bit nostalgic about my own youth in the nineties ... anyway, great love stories, adorable characters, totally Lisa Jewell!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Before I met you by Lisa JewellVon Ingelore MllerOnce again Lisa Jewell knows how to amaze her readers with her newest bestseller. This time the book is even more interesting, as she switches between the present and the past with two extraordinary women. The plot is situated in Guernsey, this idyllic island in the Atlantic and in swinging London and it is fascinating to learn how this young girl from the countryside is going to succeed in the big city!A very nice novel I enjoyed it very much! To recommend!0 von 0 Kunden fanden die folgende Rezension hilfreich. Mitfiebern garantiert!Von JustineWunderschner Roman, der die Leserin in seinen Bann zieht; am Anfang etwas zh, man kommt aber schnell rein und legt das Buch dann nur ungern aus der Hand. Lisa Jewell versteht es, die Charaktere mit Leben zu erfflen. Schnell wachsen sie einem ans Herz. Bisher hat mich noch kein Buch diese Autorin enttuscht!
