Before I Wake synopsisVon RedAs written on the back of the book:Sheriff Nathan Justice loves the town he serves. Founded by his family generations before, Justice, Illinois, is mostly a peaceful place. But the tranquility has just been shattered.Women visiting Justice are being murdered. Tourists in nice hotels, money still in their billfolds, jewelry still on the dresser. Quiet kills - they go to sleep and never awaken.Rae Gabriella left the FBI after an undercover

investigation turned terribly wrong. She's seeking to rebuild her life, and working as a private investigator alongside her former boyfriend Bruce Chapel in Justice, Illinois, seems like a place to start. But she suspects finding some peace and restoring her shaken faith will take more than just a change of location. The Sheriff is not pleased to find Rae working a case on behalf of one of the victims' families. Rae is staying in the same hotel where one of the women died, and her looks suggest she could be the next victim. Now that Bruce, Rae, and Nathan are forced to work around each other, the situation is threatening to become something much more personal... and it will test the faith of everyone it touches before it is over...0 von 0 Kunden fanden die folgende Rezension hilfreich. Anfangs packend Von Michael Grundstzlich nicht schlecht und anfangs sogar recht packend. Charaktere sind recht interessant und auch überzeugend. Aber ab der Hälfte wirds leider recht langatmig. Irgendwann hab ich das Interesse verloren und den Rest nur noch berfliegen.0 von 0 Kunden fanden die folgende Rezension hilfreich. good book, no ending Von Joan-Lisa It's a wonderful book, i loved reading it! Couldn't put it out of my hands and stayed awake most of the night to keep on reading. However, there is an open ending what keeps me hoping that there will ever be a second book...
