Die Entwicklung Parks finde ich schwer nachvollziehbar, der Kontrast ist zu gross. In dem Buch wird viel von den Gefhlen zwischen Lucy und Park

gesprochen, wirklich abnehmen kann ich es den Protagonisten jedoch nicht. Zarte Gemter wie Lucy sind einfach toll, etwas mehr Stehvermögen hätte ich ihr in mancher Szenerie aber doch gegnnt. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Super tolles Buch! Von Customer GermanyMan muss Sometimes Never zu erst gelesen haben, damit man Park versteht. Seine Geschichte ist so mitreisend und real. Ein wundervolles Buch. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Before now Von Customer I bought the previous books "Sometimes never" and "blackbird" and was fascinated within a few pages. This story is about Park (Hopes Ex) and how he meets the love of his life. I love the book! It's easy to read, and makes you not want to stop reading anymore. But I would suggest to read the first book "Sometimes never" before reading this one, just to understand the context and everything.

Kurzbeschreibung Park Reed is a bastard in every sense of the word. He hasn't always been this way. But after his heart was broken by the only girl he ever loved, being heartless gets him through the day and allows him to fill his nights with the nameless girls he has no intentions of seeing again. He now lives his life following the ever-growing list of life lessons. Lucy Braden is everything Park is not. She's sweet, caring, and an all-around nice person. She tries to follow Lucy's Rules to Live By every day. When Park moves in with Jessie, which happens to be the floor below Lucy, Jessie's one stipulation: Lucy is off limits to Park. The problem with that is Lucy is determined to be a good friend to Park and see past the drinking and random girls to find the man beneath it all. The other problem: Park follows his own rules. *This is a New Adult novel. Recommended for 17+ due to sexual situations, harsh language, and drug and alcohol use. It is a companion novel to Sometimes Never, and many of its characters are in Parks story. However, Before Now can be read as a stand-alone book.
