**Von Diana Palmer : Before Sunrise (Mills Boon MB) (Mira Hardbacks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Before Sunrise (Mills Boon MB) (Mira Hardbacks):

Kurzbeschreibung Jeremiah Cortez thought he'd left the past behind him especially the part of his past concerning Phoebe Keller. Once she had stirred his world-weary soul. Now, years later, seeing the blond beauty again sparks dormant desires. But he has to push his emotions aside he has new ties that can't be broken. Phoebe thought her feelings for Cortez were buried as deep as the artifacts she studies in her museum. An expert in Native American culture, she has her doubts when an anthropologist claims to have discovered a Neanderthal skeleton on a nearby reservation. But before Phoebe can pursue the matter, the professor in question turns up dead and the FBI sends Cortez to investigate. Now, as the two delve further into the murder, they find themselves entangled in a world of conspiracy, deception and a love more powerful than anything they've ever known. From Booklist She is Anglo; he is Comanche. She is an archaeologist. He equates archaeology with grave robbing. Despite their differences, Phoebe Margaret Keller and Jeremiah Cortez know they've found their soul mates. That is, until Jeremiah goes away and gets married. Three years later, a still-bitter Phoebe is a museum curator on the Cherokee reservation in Chenocetah, North Carolina. A person claiming to be a professor claims he has found a Neanderthal in the caves near a new development. When the man is murdered, Jeremiah, now a widower and member of the FBI's Indian Country Crime Unit, is sent to investigate. It's obvious Phoebe and Jeremiah are still in love, but she is no hurry to forgive him. Before long, however, Phoebe becomes a target of the murderer, and there's no way Jeremiah is going to leave her again. Sensual and suspenseful, this romance is also loaded with information about Cherokee culture, and it debunks many Native American stereotypes. The ever-popular and prolific Palmer has penned another sure hit. Shelley Mosley Copyright American Library Association. All rights reserved Pressestimmen "Sensual and suspenseful... The ever-popular and prolific Palmer has penned another sure hit." - Booklist "...romantic complications draw the reader in." - Romantic Times"
