Wenn die Vergangenheit einen einholt...Von -KundeVor einem Jahr musste Tabitha nach einem Sex-Skandal ihr College verlassen. Sie ging durch eine Zeit der Depressionen und Therapien und startete an einem neuen Ort an einem anderen College ihren Neuanfang. Dort trifft sie Noah, der nur als One-Night-Stand gedacht war. Doch als die ngste Tabby

wieder einholen, steht Noah ihr zur Seite und beginnt mit ihr eine eigene Art von "Therapie". Und Tabby stellt fest, dass auch Noah und ihre neue Freundin Jules die Lasten einer schuldhaften Vergangenheit mit sich tragen. Nach den ersten Seiten war ich nicht sicher, ob ich dieses Buch zu Ende lesen würde. Doch ein kuscheliger Nachmittag und ein paar Taschentücher später freu ich mich, dass ich nicht zu früh aufgegeben habe. Die Geschichte von Tabitha hielt mich fest, das Verhältnis zu ihren geschiedenen Eltern und deren unterschiedliche Bewältigung der vergangenen Ereignisse waren glaubhaft. Noah, der durch seine zärtliche Art versucht zu helfen und Jules, die als neue Freundin Tabby's zur Seite steht. Die sexuelle Beziehung von Tabby und Noah wirkt dabei nie zu ordinär sondern passt gut zur Stimmung der Geschichte. Im Gegensatz zu manch anderen Büchern werde ich dieses mit zeitlichem Abstand bestimmt erneut lesen. Ich werde sicher noch andere Bücher dieser Autorin lesen.

Kurzbeschreibung Discover the Impossible Love Series with the international best-selling romance novel that started it all. "Readers of Tammara Webber and Colleen Hoover will enjoy this book." - A Love Affair with Books A hook-up with a hot stranger from the local bar--what could go wrong? Yes, I know how it sounds, but trust me, I've thought it through. I've spent the entire summer thinking it through, and I've found the perfect place to begin--off the beaten path and, most importantly, far from campus. He's the one. I know it as soon as I spot him--an intellectual type reading a book with wild hair, square jaw, and what looks to be very kissable lips. He's what I've been waiting for. My summer of practice all comes down to this. A one-night-stand. And if I can go through with it, I can take control of my life and finally move beyond my past. But once I get my perfect stranger home and half naked? Nada. And when I see him again, it's not any better. I soon find out that he's not only a student at my new university, he's also my student advisor. Worse? This time, he's the one with the plan. Before You Go is about a chance meeting, an unexpected connection, and a unique romance that survives the worst of situations. Not much has changed since then, except she can no longer get up on toe shoes like she once could. And don't even ask her to go into the splits because she may never get back up. A new adult and contemporary romance writer, Clare loves a happy ending. She lives in Minneapolis with her two leading men her husband and young son. BEFORE YOU GO is her debut new adult novel.
