spannend aber nicht zu brutalVon Viel-Lese-MausIch liebe diesen Roman. Eine schne Romanze und eine spannende  
Handlung, die aber nicht zu brutal ist (ich liebe es, wenn ich nachts noch gut schlafen kann).Dazu gibt es keine  
Bettszenen bei denen man sich wie ein Spanner vorkommt, sondern eine christlich geprgte Sicht, bei der sich die Liebe

durch Verantwortung freinander ausgezeichnet.

**Kurzbeschreibung**When novelists Deeanne Gist and J. Mark Bertrand first met in a Houston critique group, they never expected where friendship would take them. She wrote romance; he wrote crime novels. But growing respect for each other's work culminated in the decision to try blending their talents into this wonderfully engaging story merging romance and mystery. Rylee Monroe walks dogs in old-money Charleston, a part of the city recently targeted by a daring thief. Logan Woods works the crime beat for the local paper but dreams of a life as a nonfiction writer. When the string of robberies takes a strange twist, Logan sees the making of a once-in-a-lifetime book that seems to circle around this charming, eye-catching dogwalker. But pursuing the truth means ignoring that he seems to be falling for her. And what is she hiding in her past that could crack the story wide open?**Kurzbeschreibung**When novelists Deeanne Gist and J. Rylee Monroe, a dogwalker in Charleston's wealthiest neighborhood, never feared the streets at night. But now a thief is terrorizing the area and worse, someone seems to be targeting her. Reporter Logan Woods is covering the break-ins with the hope of publishing them as a true-crime book. The more he digs, the more he realizes this beguiling dogwalker seems to be at the center of everything. As danger draws ever closer, Logan must choose: Chase the girl, the story, or plunge into the shadows after the villain who threatens everything?
