Love love looove this one!!!Von Anne B.I think I have found my favorite in this amazing series!!!!Each book is getting hotter, more touching in some kind of romantic feely ways and a lot more Action is coming, too! I so love this series and MC and can't get enough.What caught me on this book the instant I started reading it, was Deviant. He is just a rough tough guy that hasn't found the real one thing that would get him head over heels, if he wants it or not.And shy

sweet Tage, I fall in love the second time in this book. At first you think "Will this ever work out between them?"...well, I won't say anything that could spoil. But James, to see them....AWESOME!!And the scene with Liam at the clubhouse or Lily...you got me in tears there!!This book really has it all: some rough or lean hot men, romantic aspects, a lot of action and surprises and damn sexy scenes that will make you blush, just the way Deviant likes it!!I can't wait to read on and I am really hoping that time flies by so easily I will get the next installment before my nails are vanished from biting them in longing for the next "Cox" to get in my greedy hands! Love you, James, and your great books!

What he doesnt expect is to meet Tage. The handsome man blushes more than a hard spanked buttand what a fine pair of cheeks he has. But Deviant made a promise to himself. Never fall in love. With a covert war against the government going on, the last thing Deviant needs is a weakness. Will the shy Tage bring the big badass biker to his knees?KurzbeschreibungWhat if bad guys ruled the world and the good guys were the outlaws?Deviant doesnt do friendly.
