Really good read!Von KundeThe best is to read this book in one go - really suspensefull and exciting. You really build up your hatred the more you read and the ending is just what you've been waiting for! Really enjoyed it0 von 0 Kunden fanden die folgende Rezension hilfreich. Great bookVon J. ObermllerNicely gripping! Since you know the bad guy from the beginning there is no pathetic twisting of the story. Only the slightest bit of absurd, as any crime story inherently is.
