Beauty and scars...Von MagritteOk, so this was hot!Not the usual sexual intercourse hot, but the sweet, slow building of need.Jude Anderson is a man who does not spend more than one night with a woman. He does not like strings, but he

enjoys women. Charley Whitlock is a model, fragile, broken, but so beautiful. From the first time he sets an eye on her he has the impression to see an angel and wants her, so he runs... But he can't run too far because when he discovers that she is to be his model he can't leave her anymore. Trust and love between them is mainly a fight against their own fears and demons. It is a story about lust on first sight, love on second.... And still they do not jump into bed immediately. It is great to have time to read about building need, desire and trust. Jude is great and when you start to think that he can't get any better the demons he reveals are great as well, dark and tender and well... great. Charley's secrets make sense as well. I enjoyed that. So the characters, the plot, the writing, the length... everything is great as would expect for a great romance. enjoy the read MBTMO von 0 Kunden fanden die folgende Rezension hilfreich. Charley und Jude Von Minelli Ich mag RS Grey. Es macht Spaß ihre Bücher zu lesen, auch wenn das Thema mal etwas erster ist. Die Protagonisten waren wie immer sympathisch. Warum ich nur 3 Sterne gebe? Ich habe vorher die anderen Bücher von Ms. Grey gelesen und die waren einfach besser:

Kurzbeschreibung Twenty-three year old model Charley Whitlock built a quiet life for herself after disaster struck four years ago. She hides beneath her beautiful mask, never revealing her true self to the world... until she comes face-to-face with her new photographer sexy, possessive Jude Anderson. It's clear from the first time she meets him that she's playing by his rules. He says jump, she asks how high. He tells her to unzip her cream Dior gown; she knows she has to comply. But what if she wants him to take charge outside of the studio as well? Jude Anderson has a strict "no model" dating policy. But everything about Charley sets his body on fire. When a tropical photo shoot in Hawaii forces the stubborn pair into sexually charged situations, their chemistry can no longer be ignored. They'll have to decide if they're willing to break their rules and leave the past behind or if they'll stay consumed by their demons forever. Will Jude persuade Charley to give in to her deepest desires? **Recommended for ages 17+ due to language and sexual situations.**
