First Class Romance!Von nikasworld@yahoo.comThis is the first book by Katherine Stone I have read. Now, I a lifetime fan. This story follow three women in their journey towards their career goals and love. I love the way the story links the lives of the characters together. How the chance meetings and circumstances changes the lives of the unsuspecting cast. The changes are so subtle that they don't realize what hit them until their deeply in love and can't do a thing about

it. This is a wonderful book, that I will read over and over again.0 von 0 Kunden fanden die folgende Rezension hilfreich. Bel Air by Katherine Stone Von Rae Bel Air is definitely one of Katherine Stone's best. It is one of her older books and takes place in the mid 1980's with all of the lavish opulence one could expect from California Socialites. If you like any of her books, this one you will simply adore.

Kurzbeschreibung Katherine Stone's bestselling novel BEL AIR is available for the first time in ebook editions. All that glitters isn't gold . . . sometimes it's love. In the lush, sun-bright splendor of southern California, three women, three friends, search for the courage to dream, to trust, to love. But there are dark secrets and hidden betrayals that must first be overcome. A terrible accident has stolen Allison Fitzgerald's dreams, and it has taught her that life is too precious and too fragile to waste. So when she meets a man who evokes a passion in her that she has never known before, she surrenders to his love without questioning his secretive past. Gifted and beautiful actress Winter Carlyle has learned, from painful experience, that the people she loves always leave her, and that it is far too dangerous to care, and that she is only liked when she is pretending to be someone she is not. Still, she is willing to risk everything for the doctor who sees beyond the pretense . . . But is he willing to risk everything for her? Emily Rousseau only feels safe, only feels free, when she is behind the lens of her camera, safe and free from the men who want her, and want to hurt her. The portraits she takes are works of art, and there is one man, unlike any other man she has ever known, who sees not only the talent in her work, but the loveliness in her. But can she accept the love, and face the demons, that will free her from her past? Praise for the novels of Katherine Stone: Remarkably romantic and thoroughly enchanting. Rendezvous on Pearl Moon Poignant . . . Cass is an intrepid heroine, but it is Chase who wins our hearts when he refuses to allow Cass's seeming betrayal to stop him from protecting his beloved.
