Von Lesley Pearce : Belle before purchasing it in order to gauge whether or not it would be worth my time, and all praised Belle:

Fascinating story, which sometimes made me think how strange to read of somebody who must endure hardship like this and me sitting comfortably in my armchair reading. Lesley Pearce has a very gripping style

and sweeps the reader into her world. I couldn't put the book down, once I started.0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolutely gripping! Von Heidi Lesley Pearse stands for story-telling at its best! I loved this book, it outstandingly unites the genres of drama, crime, romance and history. The story is gripping and the character of Belle is just loveable. After finishing "Belle", which was the first book I read from this author, I immediately bought another Pearse novel.
