Good idea, but a little disappointingVon ColeI really loved the blurb for this book and had high expectations for a heart wrenching love story. It wasn't. The first part of the book was totally focused on Gianni and his HUGE family. I

haven't read any other books in this series, so I found the amount of relatives, friends and people that dropped in and out of this story a little overwhelming. For those who have read the previous books this will not have been a problem, but for me it took away from the actual story. I would have liked to see Gianni and Zan have to fight a little bit more to get together. After having Zan hardly appear in the first third of the book things seemed to happen very fast once they got past the first kiss. And then they went totally overboard with their feelings. Unfortunately this did not translate into some hot love scenes. In fact I am sorry to say that I had the impression that the author rushed those scenes which, considering the length of the book, was a surprise. Much more time was spent on describing puppies, relatives and pasta making. I just did not feel the love they repeatedly declared in their actual love making. Shame, because I loved the idea of the characters! 0 von 1 Kunden fanden die folgende Rezension hilfreich. I love this series! Von CustomerIt has everything a sappy love Story and funny and it really makes me Lauch out Lord every time! Wow! In this story I loved the banter AG first and his the love Story developed and to see the vulnerable Side of Gianni and both their insecurities I'm glad that they found each other and gave each other strength... They fit together and found each other! Can't wait to read more of the series! 0 von 1 Kunden fanden die folgende Rezension hilfreich. Loved it!!!! Von BookwormDOMG!!! What a beautifully written story. I loved how the MC developed throughout the story. And of course there is Nana. She is a trip. You gotta love her. I can't wait for the next part. If you are looking for a story that feels real and has got everything a great story should have then this is THE series you should get.

Kurzbeschreibung Can two damaged men build a future together from the shattered pieces of their lives? Gianni Dombrusos life was altered forever at the age of four, when his parents were murdered and he and his brothers went to live with their grandmother, the irrepressible Nana Dombruso. Now almost thirty, Gianni has spent his life bouncing from relationship to relationship, seeking but never finding the security and stability he so desperately craves. Alexander Tillane was one of the biggest pop stars in the world when he walked away from it all in the middle of a concert in 2002. Almost destroyed by the pressure of fame, Zan retreated to a life of quiet solitude in an effort to heal. But the cure backfired, leaving him with more issues than answers. Zan knows he cant give Gianni the stability hes looking for, not with all his problems. He cant even imagine why the beautiful younger man would want to get involved with someone so damaged, but the heat between them cant be ignored. Giving in to it could be a huge mistake. Or maybe both men might end up right where they belong. Approximately 98,000 words. Please note: contains explicit language and graphic sex. For ADULTS ONLY.
