Von Deborah Court : Beloved Dancer (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beloved Dancer (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Erotic Romance in New York Von Brooke Frederick In the latest erotic romance novella by Deborah Court I was expecting a light, fluffy romance with a few good sex scenes, but it's so much more! The pages turn fast as the suspense builds, and the characters turn out to be highly sympathetic, three-dimensional people caught in a perilous bind. Jade Cameron

is the dancing beauty who, as the story begins, has set her sights on giving up her virginity. Her girlfriends drag her to the premiere club for singles in New York, where she meets the enigmatic owner of the club, Alrik Larsson. Built like one of his Viking ancestors, the Swede nearly melts her on the spot with his golden curls, his broad shoulders and his icy gaze. What saves Virgin Dancer from joining the ranks of ordinary romances, and what transforms it into something unique, is that the club owner's hidden identity draws Jade into a dangerous web of criminal enterprise. When Jade's autistic brother is introduced, it adds a further dimension to her character. And all the elements are present for a complex yet fully plausible dilemma which jeopardizes their lives as well as the developing relationship between Alrik and Jade. I enjoyed Virgin Dancer from the first to the last page. As the sex scenes are explicit, this book is not suitable for young readers; yet I was impressed with how tasteful the scenes were and how essential to the story. The author has achieved an exquisite balance between sensual entertainment featuring real-life characters and intelligent plotting. Highly recommended. 2 von 2 Kunden fanden die folgende Rezension hilfreich. W-O-W !!! Von Sabrina Nachdem ich schon die bisherigen Bücher von Deborah Court gelesen habe, war mir klar, dass dieses Buch ebenfalls sehr gut sein würde. Doch was mich dann erwartete, betraf all meine Vorstellungen! "Virgin Dancer" beinhaltet nicht nur eine schöne Liebesgeschichte mit heißen Erotikszenen, sondern auch Spannung, Verrat und natürlich Humor. Die Geschichte zog mich schon ab den ersten Zeilen in seinen Bann und ich war bis zum Schluss gefesselt von Jade und Alrik. Binnen kürzester Zeit war auch das letzte Wort gelesen, denn ich hatte die Seiten regelrecht verschlungen. Die Story um die jungfruliche Tänzerin brachte mich zum Lachen, aber auch zum Weinen. Ich liebe dieses Buch und werde es sicherlich noch einige Male lesen!

Kurzbeschreibung Was she dancing too close to the fire when she chose him for her first night of passion? Jade, a small town girl who moves to New York to become a professional ballet dancer, is wildly determined to lose her virginity. On the eve of her twenty-second birthday she goes to a Lower East Side club, intending to choose the most handsome, charismatic man she meets to introduce her to the art of love. Instantly she falls for the tall blond Swedish sex god who owns the club as she pretends to be an exotic dancer looking for a job. But Alrik Larsson has secrets of his own, including his involvement with a ring of human traffickers. When the life of her younger autistic brother is placed in jeopardy, Jade has to choose between the two people she loves. The dancer finds herself balancing on a knife edge as she becomes entangled in a web of danger, mystery and relentless passion in the arms of her Viking lover ... A Sensual Romance by Deborah Court, author of the bestselling epic fantasy romance, "Bound to the Prince". ***** Excerpt: "So beautiful," he said, and his deep, rich voice sent shivers down her spine. "I wonder if I should take advantage of this situation. After all, you're just a girl who wanted to find herself a lover tonight." He laughed to himself as he bowed down to her, moving his body over hers. Resting his weight on his elbows, his skin was just inches away from Jade's, nearly covering her. She only needed to arch her back, and her breasts would graze his skin. Holding her captive with his pale, clear eyes, he stared down at her. "You can't even imagine how much I'd like to take you now." When she gasped, he continued. "Look at you. You want it, too, don't you, Jade? This is what you came here for." Desperate with want, she closed her eyes, unable to speak a word. Suddenly, she felt his breath on the sensitive side of her neck, and she involuntarily tilted her head to the side to give him better access. Then, his lips were on her, leaving a searing mark on her skin. She moaned when she felt his tongue, barely touching as if he only wanted to taste her. A soft moan escaped her when he covered her neck with more of his sinful kisses, alternating with gentle bites that made her finally give up, yielding to his seduction. The knowledge of being bound and helpless excited her more than she would have expected, and she turned her head to look into his eyes, ready to beg him if he wanted it. She found that the expression of his eyes wasn't cold anymore, but seemed to burn with a fire that threatened to destroy her. "Beware, little virgin," he said. "I might be too much for you." ***** Warning: This book contains adult content and language unsuitable for underage readers. **Kurzbeschreibung** Was she dancing too close to the fire when she chose him for her first night of passion?
