Von Toni Griffin : Ben (The Atherton Pack Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ben (The Atherton Pack Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Toni did it again!Von Lisa KaufmannObwohl die Handlung ganz leicht an Teil zwei der Holland Brothers erinnert, hat mir das Buch sehr gut gefallen. Ich liebe einfach Toni's Storys. Sie sind fluffig und romantisch und ich fhle mich einfach immer gut nach einem ihrer Bcher. Ein wenig zu kurz war es leider, ich htte mir noch mehr Ben und Tommy gewünscht denn die beiden waren einfach so wunderbar zusammen!Gegen Ende wird es nochmal heikel aber das Problem wird

ziemlich rasch gelst. Jetzt bin ich wahnsinnig gespannt auf Corey's Band! Sein Mate wurde ja schon vorgestellt und ich freue mich darauf zu lesen wie die beiden sich zusammen raufen obwohl Corey ja gar keinen Mate will. Very well done, Toni! Keep going!

Kurzbeschreibung Book 2 in The Atherton Pack Series Next Book: Corey Tommy Morgan's life was turned upside down at the hands of his Alpha. Now, another one is claiming to be his mate. He's not ready to jump into a relationship with anyone, still suffering from nightmares due to the abuse he experienced. Instead, Tommy moves in with his brother, Declan, hoping for the space he needs to heal. Pennaeth Alpha, Benjamin Taylor, has his hands full dealing with all the packs across Australia. When he finds his young mate battered and bloody, he knows Tommy is going to need time to recover and come to terms with everything. Ben is more than willing to give his mate anything he needs. Even if that means them living apart for now. When passion finally ignites with unexpected consequences, Ben knows he'll do anything, fight anyone, to keep his mate safe. Please Note: This is a re-edited second edition. The only changes made were edits. Novella: 26,040 words The Atherton Pack Liam Ben Corey Kieran (Coming Soon)
