Kurzbeschreibung Alana Leevy, entangled with unhelpful emotions from a damaging relationship, falls in love with a man who's 'out of her league'. Follow her journey, over ten years, as she sets out on a quest to write Ben Rutherford out of her head. Will she be successful?" A truly inspirational read. As you take this journey with Alana you will experience and feel every emotion alongside her but, I promise, you will come out ready to take on the world. Never underestimate the power of a courageous, determined and beautiful human being." Loraine Hastings "Beautifully written and an inspirational read. I highly recommend this amazing story of heartache, soul searching and the powerful transformation of a fearful young woman into a strong, confident and determined lady. Brilliant." Tammy Bate
