Von Sierra Cartwright : Bend Me Over (Hawkeye 2) (Hawkeye series) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bend Me Over (Hawkeye 2) (Hawkeye series) (English Edition):

Kurzbeschreibung Tall, dark, handsome, and oh-so dangerous. That's Trace Romero, Aimee's new bodyguard. Aimee has no desire to share her home with anyone, especially a Hawkeye operative who invades her space and thoroughly dominates her. If it were up to him, Trace would be in a South American jungle, mixing it up with bad guys instead of playing bodyguard to the uptight college professor who makes him anything but welcome. But when he finds a stash of her BDSM novels, protecting the professor's body suddenly gets more interesting. Aimee would send him on his way, if her sister weren't so concerned about the break in at her house, and if she hadn't threatened protective custody. But protective custody might have been slightly less overwhelming than Trace demanding her complete capitulation, mind and body, and more -- her total trust. But that trust may be the only thing standing between her and a madman determined to kill her.
