Von Deborah Schneider : Beneath A Silver Moon (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beneath A Silver Moon (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. From nanny to wifeVon MissGoWestIn 1883, young Sinclair Readford decides to leave Philadelphia and her fine education behind for the adventures which might await her in Montana Territory. Letters from her aunt Tilly lure her into the West, but soon she finds herself hanging out of a window of a brothel, trying to escape from the place where she had tried to find her relative. She falls into the arms of handsome ranch boss Jefferson McCloud who comes only reluctantly to her rescue. He offers her a job as caretaker for his little sister Maddie -- a challenge Sinclair enjoys to take on for more than one reason.Deborah Schneider's Wild West romance starts promising, but loses some of its

momentum after the main character Sinclair Readford arrives at her love interest's ranch. Eastern-bred Sinclair occasionally annoys both Jefferson McCloud and the reader with her behavior, but she remains lovable nonetheless. Schneider seems a bit indecisive about Sinclair's character though -- while she is described as tough and self-confident woman, she still relies in critical situations on a man to rescue her. All in all, "Beneath A Silver Moon" is an entertaining western novel which romance lovers will love not only for the steaming love scene at the end of the book.

KurzbeschreibungSinclair Readford had reached the end of her rope, figuratively and literally. She hung out of the window of a whorehouse in nothing more than her unmentionables. To escape the disreputable establishment, the Eastern-bred lady had vowed to go to any length. However, when her fingers slipped and she plunged into the embrace of a ruggedly handsome cowboy, she wondered if she'd been saved or damned.Jefferson McCloud had never had a woman fall out of the sky to land in his arms before. It was enough to turn a man into a lovesick fool. Especially when the woman was all long blond hair and soft white skin. He should have known immediately she'd be more trouble than the devil himself. But soon, the cowboy knew he'd ride to hell and back to earn the right to call the impertinent chatterbox his own.KurzbeschreibungSinclair Readford had reached the end of her rope, figuratively and literally.
