Beautiful read!Von MellyI wasn't too sure about this book when I started reading it. To start at the point where there opera burns, just moments after Christine is taken away by Raoul and bring in a new heroine to match the Phantom seemed unlikely. But the author did a good job in taking these thoughts away from me during the first few pages of that novella. I was genuinely intrigued by the story and wanted to know what happened next. Sophie's approach

towards the Phantom and his reaction on her intrusion was believable and beautifully written. I really liked their interactions, the sweet wee moments between them, their long way to trust and love. Although the plot was a bit foreseeable and sometimes reminded me of a fanfiction (which isn't necessarily a bad thing!!! Even more so because I write a lot of fanfiction myself.) it was a great read. And (SPOILERS AHEAD!!!) I was so happy for Erik to finally find a woman that loved him for himself and stuck to him. The ending was a bit cheesy imo, but still good. Thus 5 stars. :)

KurzbeschreibungParis: 1882. Thousands flee the fire of the famous Opera Garnier, and a man hunt begins for the monster behind the destruction, The Phantom of the Opera.Introverted and quick witted, twenty-two year old Sophie , a seamstress at the Opera House, is just one more displaced person struggling to rebuild her life after the disaster. But Sophie knows secrets, for underneath the grand building is an enchanted world of hidden passages, underground lakes and secret rooms. Confronted by the magnetic Phantom himself, Sophie embarks on the adventure of a lifetime as she enters a world of candlelight and stone in the fight for one man's soul at the risk of losing her own.KurzbeschreibungParis: 1882.
