Devinitiv nichts fr Minderjhrige und Zartbeseitete. Wer aber mit Berichten ber Vergewaltigung und Misbrauch zurecht kommt, findet

hier eine mitreißende Liebesgeschichte. Erfrischend offen wird hier über Probleme miteinander gesprochen. Jay und Charlee versuchen sich gegenseitig zu stützen und zu verstehen. Ob dieses Buch etwas ist, das man lesen möchte, kann jeder für sich schon nach dem ersten Kapitel entscheiden: Mit seinem drogenumnebelten Hirn versucht Jay eine innere Ruhe zu finden, die er nicht hat. Seine nächsten bestimmen sein Leben. Er will mit einem Tattoo seine Verletzungen ausradieren, aber er findet Charlee, die mehr in ihm sieht als er selbst. Für sie will er sich ändern und clean werden. Charlee wird noch in der selben Nacht von ihrem Peiniger verschleppt und als Sklavin in seinem Penthouse festgehalten. Die Erinnerung an Jay gibt ihr die Stärke ihre Gefangenschaft durchzustehen...Das Buch enthält viel Sex, auch auch der BDSM-Szene und ist eine in sich abgeschlossene, fesselnde Geschichte. Also, nach dem ersten Kapitel legt man das Buch entweder nicht mehr aus der Hand oder man merkt, es ist nicht das, was man lesen möchte. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Tough! Von Tea P If you are easily offended by rape, torture, BDSM, violence, abuse and slavery this isn't the book for you! But if you are into dark and twisted romances with suspense and drama and don't mind a lot of sex scenes, this is definitely a must read and you'll love it! Charlee survived barbarous things by Roy Oxford. She escaped for the first time after four horrible years and tried to live a normal life and heal. In one fateful night Charlee met Jay Mayard in her tattoo shop and somehow recognized her own pain in the scars on his back. I don't want to spoil your reading experience, so I stop right here with the content of the book. This story really got to me. My emotions were all over the place. Sometimes I clenched my Kindle like my life depended on the next chapter and I had to remind myself to breathe. I feel relieved that I was tough enough to get through this book because it was absolutely worth it, not only because I got my happy ending after an unexpected twist in the story. And I know Charlee and Jay will stay with me for a while...

Beneath The Burn. über den Autor und weitere Mitwirkende Pam Godwin lives in Missouri with her husband, their two children, and a foulmouthed parrot. When she ran away, she traveled fourteen countries across five continents, attended three universities, and married the vocalist of her favorite rock band. Now, she resides in her hometown, earning her living as a portfolio research analyst, and living her yearning as a writer. Java, tobacco, and dark romance novels are her favorite indulgences, and might be considered more unhealthy than her aversion to sleeping, eating meat, and dolls with blinking eyes.
