Von T Kierei : Beneath the Lies (Mers Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beneath the Lies (Mers Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. seems a bit unfinishedVon CyronthelaThis reads more like a final draft than a finished book. In quite a lot of places there is even crossedout alternative phrases or sentences left which seriously breaks the normal pace of reading for me.The story itself is okay though a little more polishing would probably do the plot some serious good. In my opinion the strongest point of this book is showing how the relationships from the first book developed.0 von 0 Kunden fanden die
