**Von Ann Granger : Beneath these Stones: (Mitchell Markby 12) (A Mitchell Markby Mystery)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beneath these Stones:

(Mitchell Markby 12) (A Mitchell Markby Mystery):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good addition to this long-running mystery seriesVon Ein KundeInspector Alan Markby asks his long time girlfriend Meredith Mitchell to marry him, but she rejects his request. They continue to see one another, but their relationship has turned awkward as neither one is fully comfortable with the other at this time.That changes when Alan begins an investigation that Meredith finds interesting. The Smith family members are tinkers who always stay on the Hazlewood Farm when they are in the area. This time when they park their camper, the murdered corpse of the farmer's wife greets the Smith patriarch. The tinker and the deceased's spouse Hugh report her stabbing death to the police. The victim's adolescent daughter Tammy is distraught over the woman's death and worries what will happen to her and he father, especially since evidence points towards Hugh. Tammy's teacher asks her friend Meredith to uncover the truth behind the slaying. Meredith and Alan travel down numerous paths in search of that elusive truth.The twelfth Mitchell and Markby mystery remarkably retains its freshness due to the twists to their relationship. Readers obtain a glimpse of life in a small British village through the eyes of the lead characters. Alan and Meredith narrate the story line. That method works as it provides insight into what each one is thinking about their relationship as well as the case. The police investigation is entertaining especially the behind the scenes activities of an aid. An Ann Granger novel is always a wonderful reading experience and BENEATH THESE STONES proves the veracity of that statement.Harriet Klausner0 von 0 Kunden fanden die folgende Rezension hilfreich. Reads like an early Deborah Crombie....Von Dianne FosterIf you want an easy to read and mildly entertaining book for a long flight somewhere--this is the book for you. The characters are stereotypical--including a career policeman with a failed marriage, his professional but meddling girl-friend, a troubled child, her caring teacher, an embittered husband (of the corpse-natch), and gypsies not much different from Auntie Mabel and Uncle Herbert who bought a camper for traveling around the U.K. Heck, this book isn't even scary. Granger will make a mistake if she marries the two main characters at some point--then there'll be no tension. Well, I read it anyway, but hey, I'm home sick today with a head cold.

KurzbeschreibungTwelve-year-old Tammy Franklin has learned too much about death, too quickly. Two years ago she lost her mother to a long, lingering illness and now the body of the woman her father married in an attempt to replace his wife has been found on a railway embankment close to the Franklin farm. This time the death is murder. As Superintendent Markby, one of the first on the scene, well knows, Tammy now stands to have her father taken from her, for Hugh Franklin is suspect number one in the mind of the inspector to whom Markby has delegated the case. But, despite his need to distance himself from the murder, Markby begins to realise that the truth is destined to be far more complex than he ever envisaged ...KurzbeschreibungTwelve-year-old Tammy Franklin has learned too much about death, too quickly. Two years ago she lost her mother to a long, lingering illness and now the body of the woman her father married in an attempt to replace his wife has been found on a railway embankment close to the Franklin farm. This time the death is murder. As Superintendent Markby, one of the first on the scene, well knows, Tammy now stands to have her father taken from her, for Hugh Franklin is suspect number one in the mind of the inspector to whom Markby has delegated the case. But, despite his need to distance himself from the murder, Markby begins to realise that the truth is destined to be far more complex than he ever envisaged ...Synopsis Young Tammy Franklin has learnt too much about death. Firstly her mother died and now her stepmother has been found murdered. Now Tammy stands to lose her father as well because he is the chief suspect.
