Wofr andere Autoren mehrere Bcher nutzen (im positivsten

Sinne!) werden hier ein paar Kapitel genutzt. Es ist wie Liebe auf den ersten Blick, nur dass sich hier die beiden Männer auch noch gleich ergänzende Tattoos stechen lassen! Das war mir persönlich etwas zu viel. Die Charaktere wirkten auf mich nicht wirklich glaubwürdig, der Plot wie gesagt bereilt und hektisch. Sean Michael hätte sich ruhig etwas mehr Zeit nehmen können die gemeinsame Entwicklung der beiden in ihrer neuen Beziehung tiefer zu entwickeln. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not what I expected... Von edo45I love this book - but sometimes it was a little bit "scrambled" for me and let some questions open, like talking about going to the lawyer. Did they or not? Could Marcus convince Jim to go ?? I don't like questions unanswered.... and there are many of them. The book itself I enjoyed very much. The story was well written.

Kurzbeschreibung Marcus knows Jim is his minutes after meeting the snarly, jumpy ex-professor at the local bookstore. He thinks Jim is a natural submissive, someone who needs order and discipline in his life to help with Jim's anxiety and bad health habits. So Marcus decides to pursue Jim relentlessly, because even if Jim's mouth is saying no, his body is saying yes. There's a lot more to Jim than meets the eye, and Marcus will have to be careful. Jim knows what it means to lose everything, knows what it's like to be without friends or family. Jim feels broken, and knowing that he likes the kinds of weird things Marcus wants to do to him only makes him scared that he's losing his mind. Their chemistry is so real, so genuine, that Jim lets Marcus wear him down, lets Marcus take control. Eventually, his trust grows, allowing them to enter into the BDSM lifestyle together, learning about each other every day, with every scene. Jim is still uncertain sometimes, though, and he thinks Marcus might just want him because he's cracked. Can this top and bottom pair find a way to understand their wants and needs, and make a life that works for them alone? Previously published by Torquere Press.
