Von H.B. Heinzer : Bent (Back to Brooklyn) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bent (Back to Brooklyn):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Richtig schlechter SchreibstilVon anygmaInhaltlich kann ich ber das Buch nicht viel sagen, da ich nach den ersten Kapiteln ob des Sprachstils kapituliert habe. Der Inhalt klang vielversprechend, aber das Buch liest sich, als htte es ein Teenager nebenbei im Unterricht geschrieben; nicht nur, da der Sprachstil an sich sehr einfach bis ungelentk ist, es fehlt auch der emotionale Tiefgang, der sich durch oberflchliche Schilderungen gar nicht erst einstellt, zumindest nicht bei mir.0 von

Von astrid - Das Lesesofa
Das Buch ist toll zu lesen. Man kann sich richtig in die Hauptpersonen hinein versetzen. Ich kann diese Buch nur empfehlen.

Kurzbeschreibung
Theres one thing Julia Wilson has learned in life: you cant push aside your own dreams for anyone. Newly divorced, Julia returns to the small hometown she swore shed left forever. She plans on enjoying the cheap rental a friend offers and staying there just long enough to figure out her next steps in life. But before long, Julia realizes shes made a big mistake. A decade ago, Micah Anderson promised Julia forever but broke her heart right before she left for college. Now, Julias back in town, and hes going to have to tell her the truth about why he left her its impossible to hide a twelve-year-old child when you live in such a small town. Can Julia forgive Micah and start anew? Should she try to make a relationship work if Micahs past becomes a threat to her safety? Should she follow her dreams if it means giving up on a second chance with her first love?

ber den Autor und weitere Mitwirkende
With the exception of three years spent in the middle of Nebraska, H. B. Heinzer has called southern Wisconsin home. Her first official writing was as a teenage guest contributor to an APAzine her father contributed to. In spite of her tender years, the other adult members voted her in. Life intervened for a while, and writing fell by the wayside, but after her first daughter was born, she started a blog, More Than Moms, as a way to vent about her struggle to hold onto her own identity in the midst of motherhood. After that, not even the loss of her first attempt at a full-length novel, which occurred when her hard drive failed, could stop her from her dreams of becoming a writer. Now, H. B. lives in the middle of nowhere but still close enough to a city to not feel isolated. Its the perfect place to let her two kids run and explore their huge yard, teach them about the food chain as they create a garden, and debate building a chicken coop.
