Total liebenswert!Von misstopas5Ich kann mich nur der einen Rezension aus der Produktbeschreibung anschließen, die dieses Buch als wirklichen Edelstein bezeichnet: "The romance is hot and heavy, but the real heart of the story is the love and understanding they have for each other..." - das bringt es auf den Punkt!Absolut lesenswert! Wie die beiden Protagonisten versuchen, ehrlich mit ihrem eigenen Gefühlsdurcheinander und das des anderen umzugehen, die typischen Ängste und Unsicherheiten, wenn eine Beziehung, die jahrelang als Freundschaft funktioniert und als Ersatzfamilie für zwei Menschen gedient hat, sich eindeutig verändert und die nicht wissen, ob sie im Verlauf gewinnen oder den anderen als wichtige Bezugsperson verlieren...sehr einfühlsam beschrieben.Eine sehr schöne Liebesgeschichte!Empfehlenswert!0 von 0 Kunden fanden die folgende Rezension hilfreich. Nicht schlecht!Von MerleNicht schlecht und gut geschrieben- aber zu lang.Der 36-jährige Trevor stammt aus einer kaputten Familie und kümmert sich um die sieben Jahre jüngere, verwaiste Lil, seit ihr Bruder gestorben ist, als sie 17 Jahre alt war. Ihr Verhältnis ist das von eng verbundenen Geschwistern, bis Lil ihren dringenden Kinderwunsch erfüllt haben möchte. Trevor bietet sich als Kindsvater an und findet Lil immer attraktiver, was auf Gegenseitigkeit beruht.Es ist die Geschichte der Annäherung zweier einsamer und miteinander vertrauter Menschen, schön und einfühlsam beschrieben. Aber mit der Zeit etwas eintönig und wenig ereignisreich.

Kurzbeschreibung"Best friends make the best lovers...Trevor Scott and Lil Campbell have been best friends since childhood and both have come to terms that they will forever remain single. Lil is fast approaching thirty and decides to become a single mother, though she needs a donor. After talking things over with Trevor and thinking of everyone they can and declaring nobody suitable enough, Trevor offers his services. What starts out as a business only baby-making project, soon turns into days and nights of wild passion they never knew they could share. Lil, always the logical and stable one, wonders if getting pregnant by Trevor was such a good idea since she now wants him in the husband and father role as well. But will Trevor let his haunted past destroy any chance at a happy family life? **Contains Sensual Love Scenes**What reviewers are saying - "Kelly Wallace has produced a real gem. Lil and Trevor just leap off the page, you have to love them. They are such strong characters, yet so vulnerable and realistic. I loved this story. It moves along smoothly and had me hoping for these two great people to get it together, to get past their painful pasts, and find their happily ever after. I would highly recommend this one to any one looking for an emotional story, with passion and two lovable characters." - Sandra The Romance StudioKurzbeschreibung"Best friends make the best lovers...Trevor Scott and Lil Campbell have been best friends since childhood and both have come to terms that they will forever remain single.
