Von Will Jordan : Betrayal (Ryan Drake 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Betrayal (Ryan Drake 3) (English Edition):

Kurzbeschreibung The compelling new thriller in the high-octane series featuring British CIA agent Ryan Drake. Perfect for fans of David Baldacci and Vince Flynn. Washington, DC. Former soldier and elite CIA operative Ryan Drake is heading out for dinner when he witnesses a sniper attack on a crowded freeway. A motorcade full of Russian Federal Security Force members in Washington for a top level conference with their US counterparts has been ambushed. Many have been killed and worst of all, Drake discovers that the leader of the strike team was Anya the dangerous and enigmatic woman he once risked everything to protect. Drake cannot believe her capable of such an atrocity but with the Russians baying for blood and tensions rising, Drake and his depleted team head for Siberia to discover the truth. And here he must confront the terrifying possibility that Anya's betrayal will unmask secrets greater and more devastating than he could ever have imagined. Pressestimmen- "A high-octane and fast paced tale of derring-do set in the world of elite investigation and black-ops that had me hooked throughout... One of the strongest aspects of this book is Jordan's grasp of characterisation as Drake is a compelling and empathetic protagonist... Overall a very creditable debut and bodes well for a long running series featuring this new action-hero." --"Raven Crime Reads" Werbetext The compelling new thriller in the high-octane series featuring British CIA agent Ryan Drake.
