Von Elizabeth Elliott : Betrothed before purchasing it in order to gage whether or not it would be worth my time, and all praised Betrothed:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Okay...but not as good as Warlord and Scoundrel Von Tina EI had to laugh when I read the other reviews...now I'm not certain if I liked this book less than Elliott's others because the storyline was weaker or because the hero on the cover looks like he's about fifteen years old. Publishing companies need to be careful when they use cover art because once you see what the hero allegedly looks like, it's hard to imagine him as anyone else. In this case, that is not a good thing. He looks too much like my little brother to be taken seriously as a medieval warlord. I found myself far more interested in the secondary character of Dante than I did of the hero and heroine. Luckily Dante's book (The Assassin) is SUPPOSED to be out soon. I use the word "supposed" loosely since Elliott keeps pushing back the release date. I can only pray that the publishers don't put a fifteen year old on The Assassin's cover...0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent! Von Ein Kunde In a follow up to THE WARLORD, Elizabeth Elliott has returned to medieval times, this time with the story of Miles, the half brother of Kendrick. Miles wants the home he was born in and travels to negotiate the purchase, but through false accusations, ends up engaged to Claudia, the sister to Robert, the man who tried to assassinate Kendrick in the first of the series. What a beginning and it's non-stop action and heartache for both Claudia, who's been betrayed by her uncle, and Miles, who wants to love her but doesn't know if he can trust her. A book to make you laugh and cry, sympathize with their plight and reaffirm your faith in "love conquers all". A must read and a definite keeper 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good book, bad cover Von Ein Kunde I really enjoyed this book and its predecessor (Warlord). It was funny, romantic, enthralling and hugely embarrassing to read in public (I have to agree with the previous reviewer). This style of cover is usually associated with a bodice ripper/potboiler of a book, but this was a very good read, and worthy of something better. Publisher please note: sometimes this type of cover can really put a person off buying in front of witnesses. Altogether, well worth the money and I am now eagerly awaiting the third one (Scoundrel) - with yet another naff cover.

Kurzbeschreibung Baron Guy of Montague came to Lonsdale Castle prepared to fight for what was rightfully his...only to find a woman who made him all but forget his purpose. With her angel's face and womanly curves, Lady Claudia Chiavari was enough to tempt a saint to sin. And when she returned his kisses with innocent fire, Guy knew that he was bewitched. But in a matter of hours, everything changed, as he found himself betrayed, betrothed, and imprisoned, with only Claudia to blame...Five lonely years of exile under her uncle's tyrannical rule had taught Italian-born Claudia Chiavari to distrust all Englishmen--until Guy swept into her life. Now, determined to prove to the handsome knight that she had no part in her uncle's schemes, she will risk her life to help him escape. But when she rides with Guy to his magnificent fortress, she will discover a terrible truth: that she herself is a prisoner...and at the mercy of a man whose tumultuous passion could cost her her heart..deGuy of Montague steps off the pages of Elizabeth Elliot's The Warlord and into his own book, Betrothed. Guy arrives at Lonesdale Castle to claim what is rightfully his. He meets Italian-born Lady Claudia Chiavari and sparks fly. But lies and subterfuge are the couple's enemies, and they must fight to keep their love alive. Great characters make this a page-turner and so does the visit of Kenric from The Warlord. Pressestimmen "An exciting find for romance readers everywhere."--New York Times bestselling author Amanda Quick "A bright new talent." --Nationally bestselling author Teresa Medeiros
