Mallory : Better Off Dead (Jumbo E-Book 3-in-1): Fantasy Series (The Lily Harper Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Better Off Dead (Jumbo E-Book 3-in-1): Fantasy Series (The Lily Harper Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A strong start and funny passages, but the middle dragsVon Avid ReaderI found the quirky voice of the heroine and her addiction to self-help mantras delightful, and really enjoyed the sly humor in the beginning of the book.Unfortunately it could not hold my interest in the same way after the heroine's brief stay in Scotland - the two male characters she travels with got on my nerves, especially her so-called "guardian angel"; there is too much reliance on wordplay, and the action drags a bit. I also could not quite reconcile the heroine's character as described, where she allows herself to be hustled and is naively forgiving, with her purported job as a director of marketing (at age 23?).

KurzbeschreibungThis jumbo e-book includes 3 books for the price of 1!New York Times and USA Today Bestselling Author, HP Mallory, brings you The Lily Harper Series!If theres such a thing as luck, Lily Harper definitely doesnt have it.Killed in a car accident before its her time to go, Lily learns that the hereafter isnt exactly what she hoped it might be. First, theres AfterLife Enterprises, the company responsible for sorting out the recently dead and sending them on their way to the Kingdom, (aka happily ever after,) or to the Underground City, (not so happily ever after.) Learning that Lilys death was indirectly their fault (her guardian angel, Bill, was MIA during her accident and was one of their employees,) Afterlife Enterprises offers Lily the chance to live again. But, as with most things involving the afterlife, beware the fine print. Most notably, Lily will become a soul retriever, venturing into the bowels of the Underground City to retrieve souls that were mistakenly sent there by Afterlife Enterprises during a Y2K computer glitch. Second, theres angel Bill. As if risking her second life in the Underground City wasnt enough, Lilys guide to the Underground is none other than her incompetent, alcoholic, womanizing guardian angel, Bill, the antithesis of anything wholesome. With only Dantes Inferno and Bill to help her in her quest, Lilys future isnt looking bright.Finally, theres the legendary bladesmith, Tallis Black. As Scottish as his kilts and heavy brogue, Tallis Black is a centuries-old Celt who, for reasons only known to him, offers to train Lily and act as her escort into the depths of the Underground City. Dark, brooding and definitely dangerous, Lily knows she shouldnt trust Tallis, but she also cant deny her attraction to him. Between soul retrieving in hell, dealing with Bill and trying to figure out whats in it for Tallis, Lily wonders if maybe she wouldve just been better off dead. To view the book trailer, visit:
