Great Baseball RomanceVon Bianca @BJsBBMY THOUGHTSAbout the story...Johnny Scottsdale has been a professional baseball player for 14 years. Now he's back in San Francisco for his final season. But baseball is not all that drew him to the west coast.There's also Alice. The girl that got away 14 years ago.She told him to go and be a famous baseball player.She said she couldn't handle all the groupies and she didn't want to stop him from making his dreams come

true. But she did just that. Yes, he became a famous player, but he was never really happy. He never found what he had with Alice in College. And Alice? Just a few months after she sent him on his way, she up and married his best friend Mel. Mel has been dead for 8 years and Johnny is finally back to take what should always have been his life! And then there's Zach. Alice's 13 year old son. He and his mom have been huge Johnny Scottsdale fans forever! He's his hero. But Zach never knew his mom really knew Johnny in College!! Is that maybe the reason why Zach doesn't look anything like his Dad Mel?? Lots of lies or omitted truths and lots of missed chances and moments..... Will Johnny get the chance to win back the only girl he ever loved? And what will he do once his career is over? He needed to start thinking about his future. But first he had to face his past. **WILL JOHNNY WIN THE MOST IMPORTANT GAME OF HIS LIFE? WILL THE 3 OF THEM GET THEIR HEA???** I'm not telling you that of course!! **GO READ IT!** \_\_\_\_\_ **I LOVED THE STORY!!!!** It was in no way anything new or even all that original - I have read at least 10 books with the exact same story - BUT I still really enjoyed reading it. I think I have never read a Baseball book - and I have not the slightest clue about anything baseball - so lots of words and phrases and jokes were a bit too much for me, but that didn't bother me all that much. You can really see how much Kristina loves the sport! I laughed, I cried... But most of all I just ENJOYED the time I had with Johnny Alice and especially Zach! I really liked that Kristina gave Zach a voice too. There were some romantic and sexy scenes in the book - I would've wished for a bit more of that - but it was really ok the way it was. I had the tiny little feeling that the book wanted to be a Christian romance - without any talk about religion, but still ... it just felt a bit too perfect prudish american for a german girl like me. The language alone was just a bit too perfect for me. Every confirmation was always written as a complete YES - no YEP, YEAH, YUP, YA, UHHUH... I don't know why that bothered me, but it did a bit. But all the negative can't stop me from saying that **BETTER THAN PERFECT** was a really great sports romance. With really many moving moments! And no book can do anything wrong for me, when it has either a Navy SEAL or a professional athlete in it grrrrrrr I really want to read the next book - I hope it's about Bryce - we met him already! I really enjoyed his scenes!!
