Wonderful story!Von M. newboldI took this story on holiday with me on my Kindle. Its a story that echoes that of so many teenagers - an innocent girl having lived a sheltered life, suddenly being exposed to the rollercoaster of love and

infatuation, and all the emotional turmoil that goes with it.Brillant for the beach!

KurzbeschreibungJane was a naive and shy nineteen year old who still lived with her parents. When she went out with some girls she worked with, she met Nick and her life changed forever. It was love at first site and she could not have felt happier, but true love never did run smooth.....KurzbeschreibungJane was a naive and shy nineteen year old who still lived with her parents.
