Autorin kann es besser....Von LynIch habe von Nicole Edwards bisher die Serien "Club Destiny" und "Alluring Indulgence" im Original gelesen und ich bin komplett begeistert von diese beiden Serien, jedes einzelne Buch davon. Wie NE die

einzelnen Situationen beschreibt - egal ob Alltags- oder Liebesszenen - es macht einfach Spass zu Lesen. Aber bei "Dead Heat Ranch" sprang bei mir der Funke nicht ber. Begonnen habe ich mit "Boots Optional" und war danach schon enttuscht. Ich dachte, okay, ist ja nur das Einstiegsbuch. In Band 1 erwartet mich bestimmt wieder der gewohnt gute NE-Schreibstil. Weit gefehlt. Fr mich fhlten sich alle Szenen "lebls" an und es fehlte mir vor allem das Gefhl und die Leidenschaft. Ich habe nichts gegen Liebes- oder gar hrtere Sexszenen - ganz im Gegenteil. Gerade deshalb liebe ich ja sonst die Bcher von Nicole Edwards. Doch von "Dead Heat Ranch" war ich total enttuscht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. 2 hot cowboys + 1 sassy cowgirl = HOT AS HELL Von Cassandra 2 hot cowboys + 1 sassy cowgirl = lust, love and every position possible aka me in heaven! GOSH do I love Nicole Edwards menages, ever since it became a kind of obsession. So far, she never disappoints with these. They are hot, kind of realistic and easy to fall for. You are captured from the first to the last word and never want it to end. It's easy to fall for her characters who have real fears and feelings and insecurities. Their story might be fictional, but could easily been real. On the top of it, there are always stories and characters around them that you can't wait to read about as well. Grace, Lane and Grant all have their demons to deal with. They have to fight for what they want. They have to find out what they want. They need to stand up for what they want. Can they do it? Well, read it! Thank you Nicole for another great book and the great beginning to a new series! 0 von 0 Kunden fanden die folgende Rezension hilfreich. ... Von MelWow just like all the others Nic did it once again and the Girls at Dead Heat Ranch will be really entertaining us and the hot cowboys dont hurt either. Gracie, Lance and Grant are a "couple" you just have to love and worry and be happy just alongside as they get trough the problems at hand

Kurzbeschreibung Dead Heat Ranch, #1 Don't forget to read Boots Optional, the prequel to Betting on Grace, before you dive in! New York Times bestselling author Nicole Edwards is continuing to heat things up with Betting on Grace, a sexy new mnage novel which is the first book in a hot new series called Dead Heat Ranch. The tables have turned on Grace Lambert. For a woman familiar with long days and hard work, she just recently discovered just how hot the sultry Texas nights can get. Finding time to spend with her two smoking hot cowboys, Grant and Lane, isnt exactly easy, but shes forging ahead with what has turned out to be the hottest relationship she has ever been in. The true test comes in standing up for what she wants. Grant Kingsley has landed his feisty cowgirl, Gracie, and an equally sexy cowboy, Lane Miller, but everything outside of his romantic life has gone from routine to chaos in a matter of days. Unfortunately, hes become rather acquainted with Murphys Law as he is inundated with a string of bad luck. His mother is missing, his father, a gambling addict, is worried about only one thing these days, and when Grant refuses to give in, all hell breaks loose on the ranch. Lane Miller will be the first to admit that he falls in love easily. And hes done so again, with both Gracie and Grant. Only this time around, hes not giving up or giving in. Cowboys dont know what it means to back down and Lane will ensure that the two most important people in his life get all of him, no matter what it takes.
