Von Mona Ingram : Between a Jock and a Hard Place: A Romance Novella (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Between a Jock and a Hard Place: A Romance Novella (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good romance Von Doortalks It was just fine - good story, nice characters. But the potential was killed for me in the moment

when the hero and heroine, feeling the sexual electricity between them from the first moment, started to "build a relationship". What? Where is the crazy falling in love (which is actually biologically connected to the bolts that the both felt)? How could they even think so straight with so many hormones in their system? While I do acknowledge that it for sure is possible and that there may be people who manage to control their hormones and emotions that much, it ruined for me this story so I only can give three stars. Otherwise it was ok.

KurzbeschreibungEven though she's surrounded by hockey-crazed family and friends, Claire doesnt follow the Vancouver Canucks. Her brother has played hockey all of his life and has a promising career in the minors, but thats as far as her interest goes. So when she meets a large, handsome man with a broken nose she doesnt recognize him as a key player for the Canucks. Jack is intrigued with the notion of getting to know a woman who doesnt know who he is; someone who isnt attracted to him because of his fame. When Claires brother Cam is injured in a hockey game, she offers to blog anonymously for a local newspaper about the hot-button topic violence in hockey, unaware that Jack will be presenting the opposing view. Meanwhile, the attraction grows between Claire and Jack, but can they survive the inevitable clash as they discover each others true identity?Between a Jock and a Hard Place is a novella-length Sweet Romance, at 26,700 words.Former Title: Blogging From the HeartKurzbeschreibungEven though she's surrounded by hockey-crazed family and friends, Claire doesnt follow the Vancouver Canucks.
