Von Fiona Walker : Between Males (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Between Males (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 6 Kunden fanden die folgende Rezension hilfreich. A book with several endings - but nevertheless a great read!Von SisiWhen I started reading this book I was disappointed at

first -- it reminded me of Jackie Collins and the likes and I almost feared I had picked it "from the wrong shelf". But that changed soon: Fiona Walker creates such an incredible wealth of characters and settings that you just can't help falling in love with many of them - most of all, of course, her heroine Odette. After a while you feel like all of them have become close friends and you just can't wait to find out what happens to them next. And, as somebody else mentioned already, reading Odette's story puts you in high spirits - what better could a book offer?! Toward the end I did feel several times that the story had really come to an end - and was surprised by another new turn every time. It almost seems like Fiona couldn't say good-bye to her characters either... Nevertheless, *Between Males* remains an enjoyable read until the "final-final end". 4 von 34 Kunden fanden die folgende Rezension hilfreich. Do you believe about true love ? Von Ein Kunde Like every person in this world.... Odette try to find her true love. Unfortunately she falling in love with a wrong person. She loose anything just because of that man. And after that.... does she still believe about true love ? Does she still have a spirit to countinously her lives ? It's a nice book. The author knew how to made a romantic story without made you feel boring. I read again and again. If you try to find true love or if you loose anything because somebody that you love.... read this book and you will learn much from them.

Kurzbeschreibung When you have it all except true love, you still want more. Odette, who looks like Linda Lusardi in a DKNY suit and has more zeros at the end of her bank balance than an astronomer's altimeter, decides to throw up the high-powered job that doesn't leave time for relationships and start her own club/restaurant. But the venture seems doomed before it has even begun, cursed by a seductive sleeping partner who sleeps around, and a rival chef who is as gorgeous as Jean-Christophe Novelli and as temperamental as Marco Pierre White. When a tall, bullying South African game ranger joins her law suitors and triples her interest, Odette plots their downfall. If revenge is a dish best eaten cold, where better to serve it than in a restaurant? But as she jumps from the frying pan into the fire, she might end up getting her heart broken, her fingers burnt and her goose cooked . . . Pressestimmen 'Sunshine, a garden chair and the latest Fiona Walker novel - what more could one ask?' Coventry Evening Telegraph Turn down the lights, get yourself a drink and settle back for a belter of a tale, for this is an author who remembers what so many of the current lot forget: you can't go wrong with a really good plot. (Express) 'A rollercoaster of emotional tangles that are vintage Fiona Walker' Bolton Evening News If you're looking for an un-put-downable holiday read, this is it (B) Fiona's previous bestsellers, *French Relations*, *Kiss Chase* and *Well Groomed* were well received by the critics: Pure, gorgeous, expertly constructed escapism. (Minx) 'Romps along with plenty of self-deprecating wit' Sunday Times 'irresistible ... a pacy tale that keeps you turning the pages in breathless anticipation' Company 'Simmering sexual tension and steamy escapism. A perfect companion on those sizzling sands.' Daily Mirror 'Fast, fun and furiously entertaining' Birmingham Post Werbetext When you Have It All except true love and cheekbones, you still want more
