missraten

Leider kommt der Twist so unvermittelt und unverstndlich daher, dass man glaubt, sich verlesen
zu haben. Es wird schlicht das Personalpronomen gewechselt - leider misslungen auf der letzten Strecke.

then I highly recommend reading this.

My best advice to anyone considering reading this book, is DO NOT read reviews about this book before reading it yourself (except this one, ha ha). I know a few of you will be used
to my essay length reviews, but I have deliberately made this review as vague as possible, as I feel I knew a little too
much about this before reading it, due to other reviews and comments I had seen. It is better to throw yourself into this
without the knowledge of those who have read it. What I will say, is it is very hard to believe this is a debut novel, as it
is exceptionally well written! If you enjoy psychological thrillers that are very hard to put down, then I highly
recommend reading this. Sorry that I cannot give you more details, but I hope my 5 star rating is enough to convince
you to give this a go. I would like to thank the author for a copy of this book, via THE Book Club (TBC) on Facebook,
in exchange for an honest review, and wish her the great success this book deserves.

folgende Rezension hilfreich. Ein "psychological thriller"?
Von Wolke7
Also wenn man hier einen Thriller erwartet (so
wie ich anfangs), wird man definitiv enttäuscht. Es handelt sich eher um ein Beziehungs-drama. Die Geschichte ihrer
Beziehung wird abwechselnd perspektivisch aus Sicht der beiden Hauptprotagonisten Charlie und Sal erzählt und
kommt dabei sehr langsam in die Gänge; in einigen Sequenzen erinnerte mich diese Erzählweise an "Gone girl", kommt
aber bei weitem nicht an die Qualität dieses Beziehungsthrillers heran. Im letzten Drittel der Geschichte läuft alles auf
einen dramatischen Showdown hinaus und dann.....dann gibt es eine so unerwartete Wendung, da man zunächst an
einen Fehler des Lektorats glauben möchte. Ich persönlich fand diesen Twist in letzter Sekunde eher verwirrend. Die
beiden Charaktere und ihre Geschichte erscheinen in völlig neuem Licht. Alles wird in Frage gestellt. Ob die
Geschichte dadurch nun zu einem Thriller wird, sei dahin gestellt. Eigentlich wollte ich nur 2 Sterne vergeben. Aber
der Schreibstil ist flüssig, der Spannungsaufbau klassisch.....und das Ende ist nun mal Geschmacksache. Daher dann
doch 3 Sterne!

packs a punch with this one and the ending left me gasping. - For the Love of Books
It is disturbing and chilling. It
feels very real. And a quick mention for that twist! I did not see that coming AT ALL. I usually spot these things and I
didn't! Clever! Very clever! Northern Crime

Between You And Me is that kind of book. The one that makes you feel
like you're there, you're experiencing the emotions, the hurt, the pain. Bibliophile Book Club
Lisa Hall has wrote a
harrowing, disturbing and chilling novel which I couldn't help but devour in a matter of days. She's one of those
authors you don't see coming and BANG best seller, up there with the greatest crime writers like Stuart McBride and
Lee Child. She's one to watch. Brunette Lifestyle
It is well written, emotional and jaw dropping. More please!! - Jo

a compelling but shocking read and there are serious issues in it which should provoke a lot of
discussion for book groups. - Laurel (Goodreads)
