Von Jill Barnett : Bewitching before purchasing it in order to gage whether or not it would be worth my time, and all praised Bewitching:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Jill Barnett creates magical moments!Von Ein KundeBEWITCHING sparkles with fun, romance and magic. Alec and Joy are a magnificent couple. She's so adorable as the inept witch and he's the brooding hero. She loves him, charms him, and makes his life worth living. The rose petals- what a lovely, imaginative touch to the romance scenes! And the

ending? Sure it was a little hoaky - but in her introduction, Barnett says that she used to hang her hair out the window like Rapunzel, she married her first true love - would an author like that NOT give you an ending truly worth the words "happily ever after"? The romance genre is, after all, the ultimate escapism! I used to think no one could equal Julie Garwood and Judith McNaught as the best romance writers but I have added 4 new ones to my list: Jill Barnett (BEWITCHING, WILD); Jillian Hunter (FAIRY TALE); Jo Beverley (FORBIDDEN MAGIC) and Mary Balogh (THIEF OF DREAMS) Bravo! All these books are worth reading - at least several times!!

1 von 1 Kunden fanden die folgende Rezension hilfreich. Humorous! Von Ein Kunde This book is a book I would recommend to my friends. It has many humorous moments I love. The story is well-written and great in overall. However, I agree with some of the readers on the heroine's characteristics. Sometimes Joy could be very nonsense and childish, but then these characteristics are balanced by the hero's sternness and seriousness. The other reason I don't give this book a five-star is for its too easy ending. It's true that the ending does have some heart-aching, but things resolve somehow too easy and wrap up way too quickly. Compare to her work in the book, I think Barnett can certainly do better than that. Anyway, as I say, overall the book is wonderful. It's great. I would definitely recommend it to my friend. If you like something light and full of good sense of humor, this book is a great one for you. Give it a try, you might find yourself loving it as I do.

Von Detra Fitch Set mostly in the year 1814, Joyous "Joy" Fiona MacQuarrie was half mortal and half white witch. She had been raised and taught by her aunt, The MacLean, since her parents had died. No matter how hard she tried though, she could not master her magic. So often something went wrong. When her aunt had to go to America for awhile, Joy was to teleport herself to a relative's cottage. She and Beezle (a weasel - her familiar) ended up in the lap of Alec Castlemaine, Duke of Belmore. Alec was the fifteenth Duke of Belmore. His father had made sure that Alec took the role seriously - too seriously! Everyone knew his coldness, even his two closest buddies, the Earl of Downe and Viscount Seymour, and all except Downe and Seymour feared him. Alec's fianc had just ran off a day before their wedding. To stop gossip and soothe his pride, Alec married Joy. Joy had tried to tell Alec she was a witch, before they married, but he refused to listen. His kisses dazzled her and before she could say, "Oh my goodness" they were wed. From then on Alec's world was never the same. When he made Joy cry, it rained water. When he kissed Joy, it rained pink rose petals. When he made Joy angry, the clouds voiced her feelings. And because Joy loved Alec with all her heart, she would give him what he needed most ... a little magical mayhem in his dreary world.***** I have fallen in LOVE with this author! In fact, I plan to search Barnett's back list in hopes of finding a story for Letitia. Pick up this title on your next awful day and watch your day get better quickly. There is just no way one can NOT laugh and enjoy such a book as this!

Kurzbeschreibung What's a duke to do when a carefully selected bride rejects him rather than marry without love? He salvages his pride by marrying the next woman who falls into his arms. Joyous Fiona MacQuarrie bewitched the Duke of Belmore the moment she appeared from nowhere and knocked him over . . . literally. When Alec's pride makes him choose to marry her, Joy turns the life of the most serious and snobbish duke in England upside down because she is a Scottish witch whose powers of white magic are not always easy for her to control. Too soon Alec finds his well ordered and controlled life a mess, because he married a witch? One who turns him to fire when he kisses her, who charms everyone around her, and threatens to destroy both their lives as scandal looms over her. Joy falls hopelessly in love and not even the strongest magic can seem to turn her into a proper duchess, and how else will he ever love her? Passion holds them spellbound in an irresistibly funny and tender tale of two opposite but lonely hearts.
