I did not much care for the ending. I hate cliff hangers and continuous stories with the same characters. My problem with them is if they dont have the strength to hold my attention then I will normally not even bother with the second book even if I want to know what happens. If I know

beforehand that the book ends this way, then I usually won't bother buying it. Also the fact that this is a new author to me, I would have skipped it over normally. However I am glad to have taken the chance to read it. It was a damn good story, even if I hated the ending. DeMatteo is not only an Alpha lion of the largest pride. He is also a damn good divorce attorney. This is funny as hell seeing as lions mate for life. He was working on a divorce for one of his long time clients when he scents his mate. The funny part is that the guy is his clients wife's lawyer. What are the odds? Now with DeMatteo, he has had a lover or companion for some time but when he came across Sean he just basically boots Hugh out. So it shows he can be cold-hearted to me. Not a great start to loving a character. Sean on the other hand is new to being a lawyer but his father trusts him, so he is shocked when he finds that it is an easy win. What sets him back is the fact that he is attracted to DeMatteo. Sean has only dated women, and in fact has been in a semi long relationship with Sara. However that changes the moment he meets DeMatteo. Things are about to get crazy. Hugh thinks DeMatteo is his mate, and wants Sean out-of-the-way for ever. There are so many twists to this story that it does get a bit confusing but not enough to pull my attention away from the story. It seems finding his mate it would go easy from now on with DeMatteo, but it is anything but different. There is quite a bit of surprises to this story as well as graphic violence, suspense, action, adventure, hot sexy, pregnant mates who just happens to be male and some amazing characters. I had so much fun reading this and I definitely can't wait for the next book to come out. Although I hope the next one does not make me have to wait to finish the story. I loved it and would definitely recommend it.

**Kurzbeschreibung** DeMatteo Santiago is the Alpha of one of the largest prides in North America. He is a young, successful lion shifter, surrounded by a large family and his devoted lover. By anyone's account he has more than any one man can ask for, but his lion cares of nothing except finding their mate. An unexpected business trip pits DeMatteo and his long awaited mate on opposite sides of the courtroom. But when challenged by ex-lovers, nosy siblings, and crazy hunters, DeMatteo realizes that finding his mate was the easy part. The real question is whether they will live long enough to be together. This release is an M/M paranormal shifter romance. This series will contain, graphic violence, graphic language, and Mpreg. What it will not be is an instant mate fairytale, as forces set out to destroy everything and everyone.
