I just could not stop reading, always wanted to know how it progresses. A fancy-pancy life story and a lot of drama. Constant turns in story and always when you think this is rock-bottom, to up the ante. All the characters are very well described and simply to sympathize. A bit strange to read at the beginning, like father and son love each other. But I liked it in the end.2 von 2 Kunden fanden die folgende Rezension

hilfreich. Achterbahnfahrt der Gefühle Von Bones Vorneweg: dieses Buch beinhaltet eine threesome-relationship, aber so herzzerreißend und nervenaufreibend und hot, hot, hot. Die Geschichte wird in der 1. Person aus Sicht des 38-jährigen Liam erzählt, der Vater eines 21-jährigen Sohnes ist, oder auch nicht, das ist ein Teil des aufziehenden Dramas. Er holt sich auf jeden Fall für den Vater und hat seit seinem 16. Lebensjahr Alimente für ihn bezahlt. Er flüchtet aus allen Wolken, als sein Sohn ihm seinen neuen boyfriend vorstellt. Den gleichen Mann, mit dem er 6 Jahre zusammengelebt und Pornos gedreht hat, um seinen finanziellen Verpflichtungen nachkommen zu können. Diese Beziehung hatte ein sehr unglückliches Ende genommen. Die Drei geraten in eine Beziehung mit Auf's und Abs, ich konnte das Buch gar nicht mehr aus der Hand legen, weil ich so mitgefiebert habe. 1 von 1 Kunden fanden die folgende Rezension hilfreich. You better read my review ;) Von Sunne What can I say about this book? I've chosen it because of the "interesting" constellation. I was looking for somethingborderline. So - the theme of the book is not my problem. I still have to add - in the blurb is mentioned "Pseudo-incestuous themes" which had made me think that they know it's pseudo when they are doing it. Well, they didn't know then. So - I admit I found my own line: A father doing a young man he thinks is his son...okay...not okay for me. But I won't hold that against the book. First - it was suspenseful. I couldn't put it down. Half of it was the "what happens next"-thrill, the other half was the "OMG, no, seriously, train wreck" moments. But - to make it short - a lot of the time the characters acted simply strange, running away, kissing one after another with the other one, suddenly doing things they haven't talked/discussed beforehand (and I'm not talking about going to dinner). I didn't get to understand about 30% of their action, why they were doing this or that and half the time they appeared kind of just weak or inconsiderate. That didn't endear them so much to me. But to be honest - there were also situations when I thought "no way I'm going to accept that" but the author made me buy it, believe it. So - the book careened between "oh, hot, oh, how emotional" and "oh my god, seriously, how absurd?" - so I decided on three stars.

Kurzbeschreibung Liam McGuire has the perfect life--his job is a nightmare, his apartment was swank back in the eighties, and he has a secret so painful it could destroy him. What can top that? Meeting his son's new boyfriend, that's what. For former porn star Liam McGuire, life is pretty tame, except that his twenty-one year old son is now dating the love of Liam's life. At the ripe old age of thirty-eight, Liam's entire world is collapsing around him, his past catching up with him, his secrets and his lies are coming back to bite him. All because Kel had to go and fall in love with Seth. M/M/M sexual situations. May not be suitable for sensitive readers.
