Von Gwynne Forster : Beyond Desire (National Bestselling Author) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond Desire (National Bestselling Author):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. "Beyond Desire" makes you wanna jump right into the action.Von Cassandra (cmarshal@collegeclub.com)Marcus and Amanda are both wonderful people. But they make you want to comfort them and slap some sense into them at the same time.

Their bliss is temporarily postponed because of his stubbornness and her insecurities. No doubt, Marcus has been hurt badly by ex-wife Helena, who was a poor wife and even worse mother. And the fact that his daughter has suffered serious injuries after a near fatal accident which has left Marcus in a world of debt only makes matters worse. When Marcus reluctantly agrees to pregnant Amanda's solution to his problem, he makes even more trouble for himself. Marcus, determined not to marry again after the way that Helena hurt him, tries not to become attached to Amanda, who's sweetness is not limited to taking care of the needs of his helpless daughter and himself, but also any other living thing that's hurting. But who could blame him for falling in love, although he denies until the very end. Amanda, with a new promotion at work, became pregnant by a man who used her and walked away. Now that Pierce Jr. is dead and Amanda is not married, she faces a dilemma. Marcus is the solution to her problem. But what happens when a marriage that was supposed to be in name only turns into something else? Amanda loves Marcus, but is afraid that he does not share that love. And she loves his daughter, and believes that he, near the end, has grown attached to her newborn son. But Amanda does not think that Marcus can love someone like her and has no idea of what kind of power she has over him. The two play games with each other right until the very end. They make the reader want to slap them silly. But in the end things work out, leaving the reader with a satisfied smile.

This novel about love, pride, and sacrifices couldn't have been written by any other writer. Amanda was the most caring and loyal person. Amy and Marcus couldn't have asked for a more sincere, and loving individual in their lives. I enjoyed the way Marcus attempted to keep Amanda at arms length. However, Amanda's kindness touched him to the very core. Luke was also a very encouraging character in this novel. He seemed to read his brother's mind and actions without uttering a word. Excellent novel!!!! I loved it. It reminded me of the first one Sealed with a Kiss!! Keep up the good work!!

I'm so happy to say that I was wrong! Gwynne Forster has a fan for life in me. Marcus and Amanda were meant to be together, and I thoroughly enjoyed watching two wary hearts learn to love and trust again (though I wanted to shake Marcus for being so stubborn)! I applaud Ms. Forster for giving Amanda the strength and courage to fight for the family and the man she loves. As for Marcus...well, all I have to say is that when I do meet my Prince Charming, I hope he's as loving, caring and passionate as Marcus! Once again, Ms. Forster has proven that dreams can and do come true. Excellent story!!

Kurzbeschreibung Amanda Ross is thrilled when she is appointed junior high school principal in Caution Point, N.C. But her promotion will only be a pipe dream if the board of education discovers that she's pregnant and single. She never expected her baby's father to desert her, but explanations won't satisfy a small town's rumor mill. A husband is what she needs, and handsome music engineer Marcus Hickson looks like the answer to her problem. Embittered by his ex-wife's selfish and cruel behavior, Marcus told himself he'd never marry again. That is, until doctors inform him that his injured daughter needs immediate surgery, and Amanda financially independent because of her inheritance offers to pay the medical bills if he'll be her husband. Desperate, Marcus agrees, as long as their "arrangement" is strictly business. But days and nights under the same roof soon ignite mutual desire. Now Marcus and Amanda's marriage of convenience has become an affair of the heart and a deception that endangers everything they hold dear.
