She will draw you into the story with such power you will feel the characters pain, sadness, anger, joy, love and passion. BEYOND EDEN is the story of a young girl who deperately wants the love of her father. She faces many obstacles including being brutally raped. She grows from an ugly duckling to a sterling beauty. When death threats are placed on her life, a body gaurd is hired for her protection. She cannot allow herself to trust any man, yet she is drawn to the man protecting her life. Will she finally find happiness? Will her love be cut short by a deranged killer? To get these answers you must read the book. This is a book you cant put down. With vivid characters and an enchanting story line, you will soon see why Catherine Coulter is a master storyteller.3 von 3 Kunden fanden die folgende Rezension hilfreich. a captivating saga of yet another victimized woman's lifeVon ntb20@dandy.netThe title of this book threw me off. But when I read the synopsis, I was delightfully surprised to learn that it centered around a terribly isolated and victimized woman named Eden. If you want to sympathize and even emphathize with all the trials and tribulations of an oppressed female character, and yet simultaneously delve into the superficial world of modeling and the upper crust society in general, then I highly suggest this book. You'll find yourself becoming engrossed with all the unpredictable twists and turns. You'll definitely root for the underdog and find yourself abhorring the antagonists.Trust me, you will not be disappointed.1 von 1 Kunden fanden die folgende Rezension hilfreich. Excellent Modern-Day Novel - Best One I've Read!Von Ein KundeI loved this book! In fact, I couldn't put it down. The characters were well-developed, something that is lacking in a lot of modern-day novels. The attention to detail was greatly appreciated, though some scenes could have toned down (i.e. the rape scene). All-in-all, a most excellent book. NEVER A DULL MOMENT WHEN READING YOUR BOOKS, and I've loved all of them. Never have I read one of your books that I didn't like. Thanks so much!!

KurzbeschreibungA heart-stopping story of romantic suspense from #1 New York Times bestselling author Catherine Coulter.Lindsay Foxe is a successful model in New York, a woman who hides behind a new name to protect herself from a past of betrayal and treachery and a present that becomes fraught with danger. The product of old San Francisco wealth, the daughter of a man who despises her, her life is forever changed when she is brutally assaulted by her sisters husband, and then rejected by her family. Lindsay is finally forced to face up to her past when she meets S.C. Taylor, a tough ex-cop, turned private investigator and computer troubleshooter. He is hired to protect her; but can he both win her trust and discover who is trying to kill her and why?From the Paperback edition.From Publishers WeeklyThis potboiler from the prolific Coulter combines a brisk mystery with a spicy romance between a late-blooming beauty and a tough ex-cop. Copyright 1992 Reed Business Information, Inc.From Kirkus sBy the author of False Pretenses (1988), Impulse (1990), and a series of paperback others: a crammed packaged romance featuring sex (bad, bad sex), family screaming, a tidbit of mystery, hasty glamorata, and real love--all set mainly in Manhattan. Lindsay Foxe is the ugly duckling daughter of Judge Royce Foxe, a mean-as-sleet womanizer who adores his other daughter, Sydney, a gorgeous Harvard Law School grad now married to an Italian prince. The 18-year-old Lindsay loves the prince, and he, unfortunately, loves little girls: Lindsay suffers a ghastly rape in Paris as a result, a mega misery topped off when sister Sydney arrives, pumps the prince full of lead, and then, later with dear old dad, blames Lindsay for leading the prince on. In the meantime, Taylor, the N.Y.C. cop who heard her crying out in a Paris hospital, surfaces years later, and it's he who, loving Lindsay, now a famous man-hating model, will help her to gradually overcome her fear. But there's still a family mystery in the works, as well as an attempted murder for Lindsay. After this attempt, when she is injured, assaulters begin arriving as if from a chute: the still- functioning prince; a bogus doctor; and a hired gun. Taped and bandaged Lindsay, in her hospital gown, holds her own.... Elementary but heavy on action. -- Copyright 1991, Kirkus Associates, LP. All rights reserved.
