Kurzbeschreibung **BEYOND GRACES RAINBOW***Book of the Year in the 2013 Kindle Book Awards**Winner of the Romantic eBook of the Year at the Festival of Romance**A Bord Gais Book Club Recommended Read*Beyond Graces Rainbow is the deeply emotional and poignant story of young single mother Grace Devlin. When Grace is diagnosed with cancer her best chance of survival is to find a bone marrow transplant from a family member. Only Grace is adopted and her one previous attempt to connect with her birth mother resulted in bitter disappointment. But with her young son, Jack, to think about, and the return of her ex Liam, Jack's father, reminding her of feelings she thought she buried long ago, Grace refuses to give up hope just yet. With the help of her friends she bravely embarks on a journey of discovery. This search will bring her from her home in vibrant Dublin to the unspoiled beauty of Wexford where she must unravel a web of lies and deceit that has spanned over thirty years. With a wonderful cast of supporting characters and plenty of charm, this will have you laughing and crying at the turn of a page.
