Von Kit Rocha : Beyond Happily Ever After: Blank Canvas (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beyond Happily Ever After: Blank Canvas (English Edition):

Kurzbeschreibung Caution: this story is not meant to stand alone. The Beyond Happily Ever After stories are vignettes and outtakes showing the O'Kanes in their daily lives, in between the adventures and often after their happy endings. These stories were written exclusively for readers and fans of the series, and will probably not make very much sense to anyone not familiar with the characters. You can also download the story for free in epub, mobi or pdf here:
