An amazing hot sexy 'tastes-like-sex-on-the-beach-the-cocktail-of-course' New Adult Romance!Von Bianca @BJsBBQuinn is on her way to Key West - to spend Spring Break with her 2 best friends Mackenzie Cassie. And just like her 2 girls she wants to have fun and enjoy the male population.But that isn't really her thing. She'd rather spend her time relaxing by the pool - with her girls and a cocktail.But Mac said they have to live a little and that's how she

finds herself at a private Spring Break party at some rich guy's mansion. And that's where she sees him! 'Him' is James Hunt - owner of the house - giver of the party! She likes what she sees but she thinks he's just another one of those sexy guys who know they are god's gift ... But she's still very intrigued. He sees her... "The moment I saw her, my heart stopped." James really likes what he sees - but he's at first not sure if she's one of those gold-digger girls he always has to fight off. His friends think she's a cold princess and that he could never get her into bed - that's how the unfortunate bet gets started :( The bet that will be the cause of problems later on of course! But Quinn is different than all those other girls... and soon the 2 of them are getting closer. They spend some really sexy and romantic moments together. But then - like we knew it would happen .... the bet :( WILL THEY MAKE IT??? WILL QUINN EVER TRUST JAMES AGAIN??? YOU HAVE TO READ IT TO FIND OUT!!! I LOVED THE STORY!!!! James is so much more than what our/Quinn's first impression of him was. He hates his life - he always wanted to be an artist - he paints and draws - but his parents pushed him to be something different, and he just gave up all his dreams along the way. Quinn didn't have the best of lives growing up - her mother died young - her father couldn't deal with her death and started drinking. But James Quinn could really make it work - they could help each other to fulfill their dreams! It's really adorable and VERY SEXY to watch them fight for their HEA Another amazing hot sexy'tastes-like-sex-on-the-beach-the-cocktail-of-course'New Adult Romance! I LOVED IT!!!

Kurzbeschreibung CAN FUN IN THE SUN TURN INTO LASTING LOVE? Spring break in Key West with my besties was supposed to be casual fun. But I never expected to meet him. Sex and frolic? Yes! A relationship? No. But his hot blue eyes and confident manner drew me in. And when he let me see the man behind the mask, I fell hard, foolishly believing there could be a future for us. Of course, I never considered our relationship might be based on lies... or that his betrayal could rock my foundation and make me question everything I believed in OR WILL A LIFE BUILT ON LIES RUIN EVERYTHING? The moment I saw her I knew I had to have her. She hooked me with her cool eyes and don't-touch-me attitude. I had it all: money, social status, and looks. I could get any girl I wanted... until her. When my friends challenged me with a bet to get her into bed by the end of the week, I couldn't pass it up. But sex wasn't supposed to turn into love. She wasn't supposed to change me, push me, and make me want more for myself. She wasn't supposed to wreck me in all ways. And now, if I can't turn my lies into truth, I just might lose her forever... \*\*\*Not suitable or intended for readers under 17 years old\*\*\*

REVIEWS: I loved this book, I very much enjoyed getting to know James and Quinn, and I wanted to step into their world of sun and water and love. This book made spring break even more fun, even with the intense feelings, I want to head to Florida now! I give this book 5 huge sunny and sandy stars! Sizzling Book Blog Jennifer Probst does it again in Beyond Me with another amazing hit. From the first chapter I was captivated immediately and couldn't put it down. The chemistry between James and Quinn had my heart racing, soaring, and dropping on more than one occasion. I found myself lost in their story, not wanting it to end.
