read! Von Laura Duncan's style is great and so far I loved all her books, this one didn't disappoint either. Like the prequel (Deal with the Devil - if you haven't read it yet, DO!) "Big Bad Wolfe" is a great read. I thoroughly enjoyed the characters and already re-read it twice.

Kurzbeschreibung FBI Special Agent Zane Wolfe fears nothing... Except fatherhood. So suddenly discovering he's the father of a five-year-old son terrifies him. Jillian Ramsay has had temporary custody of her best friend's little boy since his mother recently died. As the assistant director of a school for disadvantaged children, she recognizes Zane is a survivor of childhood abuse. While Jillian understands Zane's trepidation, she also sees that behind his protective walls, her Big Bad Wolfe is good-hearted and caring. She's in a desperate fight for custody against the child's vicious uncle and she needs Zane to face his fears just long enough to help her win permanent custody of his son. Zane's ready to turn tail and run for the first time in his life. Until sinister motives behind the death of his son's mother put both the boy and Jillian in danger. As Zane works with Jillian to secure his son's future, keeping his barricades intact becomes far more difficult than he imagined. Because while Jillian might not huff and puff, her patience and tenderness are chipping away at his walls. Hell do anything to protect his son including temporarily marrying Jillian. Then he's determined to return to his safe, solitary existence. The Big Bad Wolfe fears nothing. Except failing those he loves. This is the 2nd book in the Marriage Mayhem! series. "Laws of Attraction" is Book 1, and "Cross Country Christmas" is Book 3.
