Von Liane Moriarty : Big Little Lies: Now an HBO limited series before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Little Lies: Now an HBO limited series:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. von Geheimnissen und HelikopterelternVon KeksisbabyAlles beginnt mit einem Elternabend der aus dem Ruder luft und mit einem Toten endet. Rckblickend wird erzht, wie es zu der Katastrophe berhaupt erst kommen konnte. Ein bisschen fhlte ich mich erinnert an die Serie Desperate Housewives. Jede der Frauen hat ein Geheimnis, sei es Jane

deren Sohn durch eine Vergewaltigung entstand und die nur schwer Vertrauen zu anderen Menschen aufbauen kann, oder Celeste die eigentlich alles hat, aber von ihrem Ehemann geschlagen wird oder Madeline, deren pubertierende Tochter ihre Jungfrulichkeit bers Internet versteigert um gegen Kinderprostitution zu protestieren, weil sie so sein will wie ihre Stiefmutter Bonnie. Hinzu kommt noch, dass man Ziggi fr einen Mobber hlt und die anderen Eltern bereits Petitionen fr seinen Rauswurf unterzeichnen. Ich konnte von Anfang an nicht glauben, dass Zigge dahintersteckt und hatte schon eine Vermutung die sich dann auch besttigte. Doch der Autorin gelang es mich dennoch mit dem Ende zu berraschen, da ich ehrlich gesagt keine Ahnung hatte wer eigentlich der Tote war und wie es dazu kam. Ich konnte das Buch einfach nicht aus der Hand legen und war so schtig, dass ich berall gelesen habe wo es nur ging, ja sogar in der Schlange im Supermarkt. Diese Story ist ein schnes bissiges Beispiel was passiert, wenn Mtter zu sehr um ihre Kinder kreisen und Streitigkeiten pltzlich Dimensionen annehmen, die keiner mehr nachvollziehen kann. Ich glaube ich habe ein neue Lieblingsautorin schon lange habe ich kein Buch mehr so verschlungen wie dieses und nun gruselt mir davor Kinder zu bekommen, denn ich wei nicht ob ich stark genug bin fr die anderen Helikoptereltern. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Gut recherchierte und verpackte Unterhaltung nicht nur fr Eltern! Von diametz Von der ersten bis zur letzten Minute fesselnd beschrieben, intensive und facettenreiche Beschreibung zahlreicher unterschiedlicher Probleme, die in Familien auftreten knnen, z. B. Misshandlung und Internetkonsum von Teenagern, sowie Interaktion zwischen Mttern, Vtern, Lehrern und eine ganz unerwartete Aufarbeitung der Vergangenheit, bitte mehr davon, Liane!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Thriller fr alle "Mamas" Von T. Tanja Papas und nicht Kinderhaber finden das Buch sicher auch gut, aber als Mama ist es eben besonders unterhaltsam. 3 Frauen finden sich hier ber die gemeinsame Schule ihrer Vorschulkinder. Man merkt schon, da brodeln was es gibt Geheimnisse. Wie sie ans Licht kommen ist wunderbar erzht, die Charaktere sind alle nachvollziehbar und menschlich. Ein anderes Buch von Mrs. Moriarty ist schon bestellt.

Kurzbeschreibung The number one BESTSELLING novel behind the EMMY AWARD WINNING HBO series starring Nicole Kidman, Reese Witherspoon, Alexander Skarsgrd and Shailene Woodey. 'Let me ask you a question. Would you like a series that has everything? Good. Because it is, emphatically, HERE' The Guardian 'Depth, class and a sense of humour' The Times 'Artful and arch, a compelling and sad satire' Vanity Fair _____ Perfect family, perfect house, perfect life; Jane, Madeline and Celeste have it all . . . or do they? They are about to find out just how easy it is for one little lie to spiral out of control. From the author of Truly Madly Guilty and The Husband's Secret comes a novel about the dangerous little lies we tell ourselves just to survive. Jane hasn't lived anywhere for longer than six months since her son was born five years ago. She keeps moving in an attempt to escape her past. Now the idyllic coastal town of Pirriwee has pulled her to its shores and Jane feels as if she finally belongs. She finds friends in the feisty Madeline and the incredibly beautiful Celeste, two women with seemingly perfect lives - and their own secrets. But at the start of a new term, an incident involving the children of all three women occurs in the playground, causing a rift between them and other parents. Minor at first but escalating fast, until the whispers and rumours become vicious and spiteful, and the truths blur into lies. It was always going to end in tears, but no one thought it would end in murder . . . Don't want Big Little Lies to end? Then why not order Liane Moriarty's new hit, Truly Madly Guilty. Praise for Liane Moriarty: 'Brilliant, stand-out, superbly clever. Moriarty writes vividly, wittily and wickedly' Sunday Express 'A nuanced psychological study of the elements of motherly and matrimonial behaviour' The Sunday Times 'Blame and guilt, forgiveness and retribution, love and betrayal. A tense page-turning story . . . a great read' Mail on Sunday 'Staggeringly brilliant . . . literally unputdownable' Sophie Hannah 'Blending romance, comedy and mystery, this is a wonderful book - full of brains, guts and heart' Sunday Mirror 'Tolls a warning bell about the big little lies we tell to survive' Washington Post 'A fantastically nimble writer, so sure-footed that the book leaps between dark and light seamlessly' Entertainment Weekly. Pressestimmen Praise for Big Little Lies If you're looking for a novel that will turn you into a compulsive book-finisher look no further. Moriarty has produced another gripping, satirical hit... Its cant-put-downability comes from its darker subplots... A book that will make you appreciate the long days of summer. Oprah.com "The secrets burrowed in this seemingly placid small town... are so suburban noir they would make David Lynch clap with glee... [Moriarty] is a fantastically nimble writer, so sure-footed that the book leaps between dark and light seamlessly; even the big reveal in the final pages feels earned and genuinely shocking. Entertainment Weekly Reading one [of Liane Moriarty's novels] is a bit like drinking a pink cosmo laced with arsenic... a fun, engaging and sometimes disturbing read Moriarty is back in fine form. USA Today A hell of a good book. Funny and scary. Stephen King Ms. Moriarty's long-parched fans have something new to dig into... Big Little Lies [may have] even more staying power than The Husband's Secret. The New York Times Big Little Lies tolls a warning bell about the big little lies we tell in order to survive. It takes a powerful stand against domestic violence even as it makes us laugh at the adults whose silly costume party seems more reminiscent of a middle-school dance. The Washington Post Irresistible Moriarty's sly humor and razor-sharp insights will keep you turning pages. People Funny and thrilling, page-turning but with emotional depth, Big Little Lies is a terrific follow-up to The Husband's Secret. Booklist (starred

review)Moriarty demonstrates an excellent talent for exposing the dark, seedy side of the otherwise perfect family unit...Highly recommended.Library Journal (starred review)KurzbeschreibungThe number one BESTSELLING novel behind the EMMY AWARD WINNING HBO series starring Nicole Kidman, Reese Witherspoon, Alexander Skarsgrd and Shailene Woodey.'Let me ask you a question.
