Interesting story Von Stanley Interesting third part of a story about a male bigfoot and a female scientist. It sounds

similar to science fiction plots but it seems more to be possible. I am looking forward to read more of it.

Kurzbeschreibung A dangerous situation escalates, and Danielle is faced with a difficult decision - let the creature she's fallen in love with be murdered or give herself up as a mate to the new Alpha. Despite Kato's pleas, Danielle knows what she has to do... Bigfoot's New Mate is a 7200 word long erotic story and contains scenes of a graphic sexual nature. For adults only!
