KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Roses are red and Dragons are BLUE! Von Robyn Roses are red and Dragons are BLUE! Oh what to do when you have three weeks to fall in love, or not with a hot dragon man! Billionaire Dragon's Bride is a magical fantasy book taking place in modern times. Devon is the ruling family of the Bluewing dragons. They had been the head council for many generations. The Redblades are ruled by a man named Remington. The Redblades have a long history of hate for the Bluewings. The Redblades want to seek the high position of head council. Remington challenges the elders to adhere to the old world of taking a mate at the next Gold Moon. Devon has never been for settling down. Upon this decree Devon has three weeks to find a mate. Gemma is a Master Jewelry maker. She comes from a long line of craftsmen. Her town is run and ruled by the Bluewings. Gold Valley is where Gemma is from. Her town is protected by the Bluewings, in exchange for their contract for the gold hoard. Gemma goes to Devon to maybe negotiate the terms of the exchange of gold that is request. Little does she know what she is getting herself into? Devon is mesmerized by her presence. Gemma has capturing his desires with her wit, backtalk and curvaceous body. Anya Nowlan captures your heart with an adventure in love, betrayal, and wild sexual abandonment. I hope to see more with these magical dragon men.

KurzbeschreibungHe's blazing hot and this dragon won't take no for an answer. Devon Bluewing is a billionaire playboy like no other. Cocky, strong and sexy as hell, he's used to getting anything and anyone he wants. But when it comes a time to step up and stand as the head of his family, and the dragon council of Treasure Lane, Devon is met with an inexplicable problem. He needs a mate or his whole legacy could be in jeopardy. Now, that doesn't work at all for the fire-breathing bad boy, who's used to getting his own way. Gemma Teeley can't stand injustice. She's sassy, smart as a whip and always ready to fight for what is right. So when the newest Bluewing heir decides to wrack up the taxes on her hometown, Gemma isn't about to stand for it. But what she doesn't know is that her fight against traditions might just get her into a whole lot of steamy trouble! The curvy, headstrong woman has all the fire of Devon, and when he gives her an ultimatum, they're both in for more than they bargained for. Even if she'll play along, it doesn't mean that she'll make it easy on him. But it isn't just Devon who's making decisions for Gemma, and soon it becomes very clear that it's not only Gemma's pride that's in danger of getting burned... Warning: Billionaire Dragon's Bride is a standalone novel with no cliffhangers and a dragon so hot you can't say no to him. Be aware that there's plenty of sizzling, blush-worthy heat and intense action and the book is meant for mature audiences!
